Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features: **Specialized Design:** The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads. **High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

Variety of Sizes: The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: **Set A:** Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). **Set B:** Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). **Set C:** Contains punches #1 through #6, providing a comprehensive range for various applications. **Set D:** Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

Specifications: **Punch Diameters:** #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

Safety Instruction Guide for CUP TIP PUNCHES

BROWNELLS CUP TIP PUNCH MODEL 3

Introduction

Thank you for choosing the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 3. This product is designed to meet high safety standards, ensuring effective use while minimizing risks. Please read this safety instruction guide carefully to ensure safe handling and operation.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the product.
- Ensure that the work area is clean and welllit to prevent accidents.
- Keep all tools and equipment out of reach of children and vulnerable individuals.
- Inspect the product for any signs of damage before use. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the product.
- If you experience any discomfort or pain while using the product, stop immediately and consult a professional.

Specific Safety Precautions for Use

- Use the correct punch size for the task. Using the wrong size can lead to tool damage or personal injury.
- Do not apply excessive force while using the punches. This may cause the tool to slip and result in injury.
- Always hold the punch securely and maintain a firm grip to prevent slipping.
- Avoid using the punches on materials that are not specified, as this can lead to accidents or damage.
- Store the punches in a safe place when not in use, preferably in the provided Delrin® bench block, to prevent loss and damage.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the work area is clean and free from clutter.
- Gather all necessary tools and materials before starting.

2. Using the Punches:

- Select the appropriate punch size based on the specifications provided:
 - .057" (1.44mm) long
 - .066" (1.7mm) long
 - .072" (1.8mm) long
 - .040" (1mm) short
 - .050" (1.3mm) short
 - .050" (1.3mm) long
 - 3mm (.118") long
 - 3mm (.118") short
- Place the punch on the target area where you intend to work.
- Use a hammer or appropriate striking tool to gently tap the punch, ensuring that you do not apply excessive force.

3. After Use:

- Clean the punches and bench block after each use to remove any debris or contaminants.
- Store the punches in the Delrin® bench block to keep them organized and protected.

Disposal Instructions

- Dispose of any damaged or unusable punches in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries related to safety or usage of the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 3, please refer to the manufacturer's contact information included with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with your CUP TIP PUNCHES. Thank you for your attention to safety!
