## Prevent Those Beautiful Round-Headed Pins From Flat-Topping

**CUP TIP PUNCHES** The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

**Description and Features:** Specialized Design: The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads.

**High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

**Variety of Sizes:** The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

**Available Sets:** Brownells offers these cup tip punches in several sets to suit different needs: Set A: Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). Set B: Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). Set C: Contains punches #1 through #6, providing a comprehensive range for various applications. Set D: Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

**Specifications:** Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

**Customer Insights:** Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

# Safety Instruction Guide for Brownells Cup Tip Punch Model 4

## Introduction

Thank you for choosing the Brownells Cup Tip Punch Model 4. This guide provides essential safety instructions to ensure the safe use of this product. Please read and follow these guidelines carefully to prevent accidents and injuries during use.

## General Safety Guidelines

- Always use the Cup Tip Punches as intended. Misuse can lead to injury or damage to the product.
- Keep the punches out of reach of children and vulnerable individuals.
- Inspect the punches for any signs of wear or damage before each use. Do not use damaged tools.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the punches.
- Store the punches in a safe, dry place when not in use to prevent accidents.

## Specific Safety Precautions for Use

- Ensure that the work area is clean and welllit to avoid accidents.
- Always secure the firearm or component you are working on to prevent movement during use.
- Use the correct size punch for the pin you are working with to minimize the risk of slipping or damaging the pin head.
- Avoid excessive force when using the punches. If resistance is encountered, reassess the situation before proceeding.
- Never place your hands or fingers in the path of the punch during use.
- Do not attempt to modify or alter the punches in any way.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the appropriate Cup Tip Punch.
- Ensure that the firearm or component is secured in a stable position.

### 2. Using the Punch:

- Select the correct punch size for the pin you are working with.
- Align the concave tip of the punch with the rounded head of the pin.
- Apply gentle, even pressure to drive the punch into the pin. Do not force it.
- For removal, ensure that the punch is aligned properly to avoid damaging the pin or surrounding components.

### 3. PostUse:

- After use, clean the punches to remove any debris or residue.
- Store the punches in their designated storage area to prevent damage and ensure longevity.

## Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- If the punches are no longer usable, consider recycling the steel components where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Brownells Cup Tip Punches, please refer to the contact information provided by your retailer or manufacturer.

## **Conclusion**

By following this safety instruction guide, you can ensure the safe and effective use of the Brownells Cup Tip Punch Model 4. Always prioritize safety and proper usage to maintain the integrity of your tools and the firearms you work on. Thank you for your attention to these important safety guidelines.
