Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features:

Specialized Design: The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads.

High-Quality Construction: Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

Variety of Sizes: The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: Set A: Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). Set B: Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). Set C: Contains punches #1 through #6, providing a comprehensive range for various applications. Set D: Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

Specifications: Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

Safety Instruction Guide for Brownells Cup Tip Punches

Introduction

Thank you for choosing the Brownells Cup Tip Punches. These precisionengineered tools are designed for the removal and installation of roundheaded pins, especially for use with Smith & Wesson handguns. This safety instruction guide provides essential information to ensure your safe and effective use of these tools.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep all tools out of reach of children and vulnerable individuals.
- Inspect the punches for any damage or wear before each use. Do not use damaged tools.
- Use the punches only for their intended purpose to avoid injury.
- Ensure a clean and welllit workspace to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, during use.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the punch tip is properly aligned with the pin before applying force.
- Use the punches with a suitable hammer or mallet to avoid excessive force that could lead to tool failure.
- Do not use the punches to pry or lever pins out of their seating; this can damage both the tool and the firearm.
- Avoid using the punches on pins that are rusted or corroded, as this may increase the risk of breakage.
- Do not modify or alter the punches in any way.
- Store the punches in a dry place to prevent rust and damage.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the appropriate punch size for your task.
- Ensure the firearm is unloaded and safe to work on.

2. Using the Punch

- Select the correct punch size that fits the diameter of the pin.
- Position the concave tip of the punch over the pin head.
- Gently tap the punch with a hammer or mallet to start the removal or installation process.
- Continue tapping until the pin is fully removed or installed, ensuring that the punch remains aligned with the pin.

3. PostUse Care

- Clean the punches after use to remove any debris or residue.
- Inspect the punches for wear or damage before storing them.
- Store the punches in their designated case or holder to prevent damage.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste if they are still usable; consider donating them to a local gunsmith or workshop.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Thank you for your attention to safety. By following these guidelines, you will help ensure a safe and effective experience with your Brownells Cup Tip Punches.
