## Prevent Those Beautiful Round-Headed Pins From Flat-Topping

**CUP TIP PUNCHES** The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

**Description and Features:** Specialized Design: The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads. High-Quality

**Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

**Variety of Sizes:** The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

**Available Sets:** Brownells offers these cup tip punches in several sets to suit different needs: Set A: Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). Set B: Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). Set C: Contains punches #1 through #6, providing a comprehensive range for various applications. Set D: Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set. Specifications: Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

**Customer Insights:** Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

# Safety Instruction Guide for Brownells Cup Tip Punches

## Introduction

Thank you for choosing the Brownells Cup Tip Punches. These precisionengineered tools are designed to assist in the removal and installation of roundheaded pins, particularly those found on Smith & Wesson handguns. This guide provides essential safety instructions to ensure the safe use of these tools, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the Cup Tip Punches are used only for their intended purpose.
- Always inspect the punches for any signs of damage or wear before each use.
- Use appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes during use.
- Keep the work area clean and organized to prevent accidents.
- Store the punches in a safe place, out of reach of children and pets.
- Follow all local laws and regulations regarding the use of tools and firearms.

## Specific Safety Precautions for Use

- Use the correct size punch for the pin you are working with to avoid damaging the pin or the punch.
- Do not apply excessive force when using the punches; this can lead to breakage or injury.
- Always ensure that the firearm is unloaded and safe before attempting any maintenance work.
- Avoid using the punches in wet or damp conditions to prevent slipping.
- If you experience any discomfort or pain while using the punches, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Selecting the Right Punch:

- Choose the appropriate punch from the set based on the diameter of the pin.
- Reference the specifications for each punch size:
  - Punch #1: 0.057" (Long)
  - Punch #2: 0.066" (Long)
  - Punch #3: 0.072" (Long)
  - Punch #4: 0.040" (Short)
  - Punch #5: 0.050" (Short)
  - Punch #6: 0.050" (Long)
  - Punch #7: 0.118" (Long)
  - Punch #8: 0.118" (Short)

### 2. Preparing the Work Area:

- Ensure your workspace is welllit and free from clutter.
- Have all necessary tools and materials within reach.

### 3. Using the Punch:

- Align the concave tip of the punch with the rounded head of the pin.
- Gently tap the punch with a hammer or mallet until the pin is either removed or seated securely.
- Use a Delrin Bench Block if available to provide a stable surface and prevent damage to the

punches.

#### **4. After Use:**

- Clean the punches with a dry cloth to remove any debris or moisture.
- Store the punches in their designated location to prevent loss or damage.

## **Disposal Instructions**

- Dispose of any damaged or worn punches in accordance with local regulations.
- Do not dispose of the punches in regular household waste if they are made from materials that require special handling.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Brownells Cup Tip Punches, please refer to the contact information provided on the packaging or visit the manufacturer's website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience while using the Brownells Cup Tip Punches. Always prioritize safety and proper handling to maintain the integrity of your tools and firearms. Thank you for your attention to these important guidelines.
