Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features: **Specialized Design:** The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads. **High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

Variety of Sizes: The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: **Set A:** Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). **Set B:** Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). **Set C:** Contains punches #1 through #6, providing a comprehensive range for various applications. **Set D:** Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set. **Specifications:** Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

Safety Instruction Guide for Brownells Cup Tip Punches

Introduction

Thank you for choosing Brownells Cup Tip Punches. These precisionengineered tools are designed for the safe removal and installation of roundheaded pins, especially on Smith & Wesson handguns. This guide provides essential safety instructions to ensure safe use and maintenance of the product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:**
 - Ensure safe use of the Cup Tip Punches by following all safety instructions.
 - Be aware of potential risks associated with using sharp tools.
- **Enhanced Recalls:**
 - Stay informed about any recall notices related to these products.
 - If a recall is issued, follow the provided instructions for remedy.
- **Online Shopping:**
 - Ensure that you purchase your tools from reputable online platforms that meet safety requirements.
- **Special Consumer Focus:**
 - Keep these tools out of reach of children to prevent accidents.
- **EU Contact Point:**
 - For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:**
 - Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- Always inspect the punch before use. Do not use if damaged.
- Wear safety glasses to protect your eyes from debris while using the punches.
- Use the punches only for their intended purpose; do not use them for prying or as a lever.
- Ensure that the work area is clean and welllit to avoid accidents.
- Keep fingers away from the striking area to prevent injury.
- Use a suitable bench block when working with the punches to stabilize the workpiece.
- Store the punches in a safe place after use to prevent accidental injury.

Instructions for Installation and Usage

- **Selecting the Right Punch:**

- Choose the appropriate punch size for the pin you are working with. Refer to the specifications for diameters:
- #1: 0.057" (Long)
- #2: 0.066" (Long)
- #3: 0.072" (Long)
- #4: 0.040" (Short)
- #5: 0.050" (Short)
- #6: 0.050" (Long)
- #7: 0.118" (Long)
- #8: 0.118" (Short)

- **Installation Instructions:**

- Align the punch with the pin to ensure a secure fit.
- Apply gentle pressure to seat the punch on the pin head.

- **Using the Punch:**

- Using a hammer, strike the end of the punch gently to drive the pin out.
- For installation, reverse the process, ensuring the punch is aligned correctly with the pin.

- **PostUse:**

- After use, clean the punches to remove any debris or oil.
- Store the punches in a protective case or designated area to avoid damage.

Disposal Instructions

- Dispose of any damaged or worn punches in accordance with local regulations.
- If applicable, recycle materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of Brownells Cup Tip Punches, please refer to the designated EU contact point provided with your product. Always ensure your safety and the safety of others when using precision tools.

Thank you for your attention to these safety instructions. Enjoy using your Brownells Cup Tip Punches responsibly!
