## Prevent Those Beautiful Round-Headed Pins From Flat-Topping

**CUP TIP PUNCHES** The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

**Description and Features:** Specialized Design: The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads.

**High-Quality Construction:** Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

**Variety of Sizes:** The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

**Available Sets:** Brownells offers these cup tip punches in several sets to suit different needs: Set A: Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). Set B: Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). Set C: Contains punches #1 through #6, providing a comprehensive range for various applications. Set D: Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

**Specifications:** Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

**Customer Insights:** Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

# **Safety Instruction Guide for CUP TIP PUNCHES**

## **BROWNELLS CUP TIP PUNCH MODEL 8 3MM**

### **(.118") DIAMETER/SHORT LENGTH**

## **Introduction**

Thank you for choosing the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 8. This product is designed to assist in the precise fitting of round head pins found on Smith & Wesson handguns. To ensure your safety and the effective use of this product, please read and follow the safety instructions provided in this guide.

## **General Safety Guidelines**

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product if it is damaged or if any parts are missing.
- Store the product in a safe and dry place when not in use.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Ensure that you are using the correct punch size for your application.
- Use the 3mm punch specifically for SIG handguns to avoid damage.
- Avoid excessive force when using the punches to prevent injury or damage to the firearm.
- Wear appropriate personal protective equipment (PPE), such as safety goggles, to protect your eyes from potential debris.
- Keep your workspace clean and organized to prevent accidents.
- Do not use the punches for any purpose other than intended.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools and ensure your workspace is clean and welllit.
- Verify that you have the correct punch size for your application.

### **2. Using the Punch:**

- Select the appropriate cup tip punch from the set.
- Align the punch with the round head pin you wish to work on.
- Apply gentle pressure to the punch, ensuring it fits snugly against the pin.
- Strike the punch with a hammer or mallet, if necessary, while maintaining a steady grip.
- Avoid striking the punch too hard to prevent flattening the pin top.

### **3. PostUse Care:**

- After use, clean the punches to remove any debris or residue.
- Store the punches in the provided Delrin® bench block to keep them organized and protected.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the punches are damaged beyond repair, consider recycling metal components where applicable.
- Do not dispose of the product in household waste if it can be recycled or if there are specific disposal guidelines in your area.

## Contact Information for Further Support

For any questions or concerns regarding the product, including safety inquiries, please refer to the manufacturer's contact details provided with your purchase.

Thank you for prioritizing safety while using the CUP TIP PUNCHES BROWNELLS CUP TIP PUNCH MODEL 8. Your adherence to these guidelines helps ensure a safe and effective experience.
