Prevent Those Beautiful Round-Headed Pins From Flat-Topping

CUP TIP PUNCHES The Brownells Cup Tip Punches are precision-engineered tools designed to facilitate the removal and installation of round-headed pins, particularly those found on Smith & Wesson handguns. Each punch features a concave, "cupped" tip that precisely fits the rounded heads of pins, preventing deformation and maintaining the firearm's aesthetics during maintenance.

Description and Features:

Specialized Design: The concave tips are specifically crafted to match the contours of round-headed pins, ensuring a secure fit and minimizing the risk of slipping or damaging the pin heads.

High-Quality Construction: Made from hardened steel, these punches offer exceptional durability and longevity, standing up to repeated use in gunsmithing tasks.

Variety of Sizes: The punches are available in multiple diameters to accommodate a range of pin sizes commonly encountered in firearms.

Available Sets: Brownells offers these cup tip punches in several sets to suit different needs: Set A: Includes punches #1 (0.057" long), #2 (0.066" long), and #3 (0.072" long). Set B: Comprises punches #4 (0.040" short), #5 (0.050" short), and #6 (0.050" long). Set C: Contains punches #1 through #6, providing a comprehensive range for various applications. Set D: Offers the complete selection of punches #1 through #8, along with a Delrin Bench Block (also available separately as Brownells #080-000-644), enhancing the convenience and versatility of the set.

Specifications: Punch Diameters: #1: 0.057" (Long) #2: 0.066" (Long) #3: 0.072" (Long) #4: 0.040" (Short) #5: 0.050" (Short) #6: 0.050" (Long) #7: 0.118" (Long) #8: 0.118" (Short)

Customer Insights: Our customers report that the Brownells Cup Tip Punches are indispensable for maintaining the integrity of round-headed pins during firearm disassembly and assembly. The specialized cupped design ensures that pins remain unmarred, preserving the firearm's appearance and functionality. Incorporating the Brownells Cup Tip Punches into your gunsmithing toolkit ensures you have the precise tools needed for delicate pin work, enhancing both the efficiency and quality of your firearm maintenance projects.

Safety Instruction Guide for Brownells Cup Tip Punches

Introduction

Thank you for choosing the Brownells Cup Tip Punches. These precisionengineered tools are designed to help with the removal and installation of roundheaded pins, especially for Smith & Wesson handguns. This guide provides important safety instructions to ensure safe usage and maintenance of the product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the work area is clean, welllit, and free of distractions before using the Cup Tip Punches.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, to protect against potential injuries.
- Keep the Cup Tip Punches out of reach of children and unauthorized users.
- Inspect the punches for any signs of damage or wear before each use. Do not use damaged tools.
- Store the punches in a secure location to prevent accidents or injuries.
- Report any unsafe product incidents or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the Cup Tip Punches for their intended purpose: removing and installing roundheaded pins.
- Do not apply excessive force when using the punches to avoid damaging the pins or the tool.
- Ensure that the punch tip is properly aligned with the pin head before striking to prevent slipping.
- Use a proper striking tool, such as a hammer, that is suitable for the task. Avoid using makeshift tools.
- Maintain a firm grip on the punch and the striking tool to ensure control during use.
- Avoid using the punches in wet or slippery conditions, as this increases the risk of accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials.
- Ensure that the area is clean and organized.

2. Choosing the Right Punch

- Select the appropriate punch size based on the diameter of the pin you are working with. Refer to the specifications for punch sizes:
 - #1: 0.057" (Long)
 - #2: 0.066" (Long)
 - #3: 0.072" (Long)
 - #4: 0.040" (Short)
 - #5: 0.050" (Short)
 - #6: 0.050" (Long)
 - #7: 0.118" (Long)
 - #8: 0.118" (Short)

3. Using the Punch

- Position the punch tip over the pin head that needs to be removed or installed.
- Hold the punch securely with one hand, ensuring it is perpendicular to the pin.

- With the other hand, use a hammer to strike the end of the punch lightly to drive it into the pin.
- For installation, align the punch with the pin hole and gently tap the punch to guide the pin into place.

4. PostUse Care

- After use, clean the punches with a soft cloth to remove any debris or residue.
- Store the punches in their designated storage area, ensuring they are secured and protected from damage.

Disposal Instructions

- Dispose of any damaged or unusable punches in accordance with local regulations.
- Ensure that all tools are disposed of in a way that prevents injury to others, particularly children and pets.
- If applicable, recycle materials according to local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the Brownells Cup Tip Punches, please reach out to your local EU contact point or the retailer where the product was purchased.

By following these safety guidelines and instructions, you can ensure a safe and effective experience while using the Brownells Cup Tip Punches. Thank you for your attention to safety.
