

# 1911 HAMMER SLOT STONE - BROWNELLS 1911 HAMMER SLOT STONE

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Trigger Job Tools](#) > [Trigger Job Hand Tools](#)

## The Right-Sized Stone For Semi-Auto Pistol & Revolver Work

This is one stone you really need to have in your tool box. We had it specially made for one function, then, as we used it, we found that it works great for many others. Precision-cast, ceramic stone is an exact fit for smoothing the inside surface between the frame tangs on a 1911 Auto. A smooth surface gives improved hammer function and a lighter trigger pull. Also fits the hammer slots on all Ruger "P" Series Pistols, all Ruger Revolvers plus all S&W K, L, & N frame revolvers. We didn't plan on such a versatile stone, but we're delighted it turned out that way.

## Attributes

- Name: [BROWNELLS 1911 HAMMER SLOT STONE](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080625002
- Mfr. No.:
- Delivery weight: 0.045kg

# Safety Instruction Guide for the 1911 Hammer Slot Stone

## Introduction

Thank you for purchasing the 1911 Hammer Slot Stone from Brownells. This guide provides essential safety information to ensure the safe and effective use of this product. Please read and understand these instructions before using the product.

## General Safety Guidelines

- Ensure that the work area is clean and welllit to avoid accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the stone.
- Keep the product out of reach of children and vulnerable individuals.
- Do not use the stone for any purpose other than its intended use.
- Regularly inspect the stone for any signs of wear or damage before each use.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the stone only on the specified surfaces of the 1911 Auto and compatible firearms as indicated in the product description.
- Avoid applying excessive force when using the stone to prevent damage to the firearm or the stone itself.
- Do not use the stone on hot surfaces or while the firearm is loaded.
- Ensure the firearm is unloaded and safe before performing any work on it.
- Always follow the manufacturer's instructions for your specific firearm model when using the stone.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and materials to complete the task.

### 2. Using the 1911 Hammer Slot Stone:

- Hold the stone firmly in one hand.
- Position the stone at the desired area between the frame tangs of the 1911 Auto.
- Apply gentle, even pressure while moving the stone back and forth to smooth the surface.
- Check your progress frequently to avoid oversmoothing or damaging the surface.

### 3. PostUse Care:

- Clean the stone after each use to remove any debris or residue.
- Store the stone in a safe, dry place away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the stone in accordance with local regulations.
- If the stone is damaged or worn beyond use, consider recycling it if possible.
- Do not dispose of the stone in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For questions or concerns regarding the safety or use of the 1911 Hammer Slot Stone, please refer to the manufacturer's website or customer service for assistance.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities.
