# REVOLVER FITTERS BENCH BLOCK Safety Instruction Guide

## Introduction

Thank you for choosing the REVOLVER FITTERS BENCH BLOCK by Brownells. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the bench block.

## General Safety Guidelines

- Always inspect the bench block for any damage or defects before use.
- Ensure that the work area is clean and free from any hazards.
- Keep the bench block out of reach of children and vulnerable individuals.
- Use the bench block only for its intended purpose.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the bench block.
- Ensure that all tools and materials are properly secured before use.
- Follow all local regulations regarding the handling and disposal of materials.

## Specific Safety Precautions for Use

- When driving pins, ensure that your hands are clear of the area where the pins will be driven.
- Use the bench block on a stable surface to prevent slipping or tipping.
- Avoid using excessive force when polishing or driving pins, as this may lead to accidents or damage.
- Do not attempt to modify or repair the bench block yourself. Contact a professional if repairs are needed.
- If you notice any unusual noises or issues during use, stop immediately and inspect the bench block.

## Instructions for Installation and Usage

### 1. Preparation:

- Place the bench block on a flat, stable surface.
- Ensure that the area is welllit and free from distractions.

### 2. Using the Bench Block:

- Position the item you are working on securely on the bench block.
- For driving pins, align the pin with the hole and use a hammer to drive the pin gently.
- For polishing, use appropriate polishing tools and materials, ensuring they are compatible with the bench block.

### 3. PostUse Care:

- Clean the bench block after each use to remove any debris or residue.
- Store the bench block in a dry place to prevent damage.

## Disposal Instructions

- Dispose of the bench block in accordance with local waste disposal regulations.
- If the bench block is damaged beyond repair, ensure that it is disposed of safely to prevent injury to others.

## **Contact Information for Further Support**

For any inquiries or support regarding the REVOLVER FITTERS BENCH BLOCK, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you have any concerns about the safety or functionality of the bench block.

Thank you for your attention to these safety instructions. Your safety is our priority.
