# RMK II PROSPRING KIT FOR RUGER MK II PISTOL

## Safety Instruction Guide

### Introduction

Thank you for purchasing the RMK II PROSPRING KIT FOR RUGER MK II PISTOL. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the spring kit.

### General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for signs of wear or damage before use.
- If you encounter any issues or concerns regarding the product, cease use immediately and seek assistance.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- Only use the RMK II PROSPRING KIT for the Ruger MK II Pistol.
- Do not attempt to modify any components of the spring kit.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning installation.
- Wear appropriate safety gear, including eye protection, during installation and usage.
- Be aware of your surroundings and ensure that you are in a safe environment when handling the firearm.
- Follow all local laws and regulations regarding firearm modifications and safety.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure the firearm is unloaded.
- Gather necessary tools for installation, including a punch tool and a hammer.

#### 2. Installation Steps

- Remove the existing recoil spring from the Ruger MK II Pistol.
- Install the new XP recoil spring by aligning it correctly and securing it in place.
- Replace the firing pin spring with the new XP firing pin spring.
- Install the RP hammer spring by carefully positioning it into the hammer assembly.
- Finally, replace the trigger spring with the new RP trigger spring.

#### 3. PostInstallation Check

- After installation, perform a function check of the firearm to ensure all components are working correctly.
- Ensure that the firearm cycles properly and that there are no obstructions or malfunctions.

#### 4. Usage

- Handle the firearm with care and always follow standard firearm safety practices.
- Regularly check the integrity of the springs and other components during use.

## **Disposal Instructions**

- Dispose of any old springs or components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options or designated disposal sites for firearm components.

## **Contact Information for Further Support**

For any questions or concerns regarding the RMK II PROSPRING KIT FOR RUGER MK II PISTOL, please refer to the manufacturer's website or customer service for support. Always ensure that you have the latest information regarding product safety and compliance.

Thank you for choosing the RMK II PROSPRING KIT FOR RUGER MK II PISTOL. Your safety and satisfaction are our top priorities.
