# RRH102 PROSPRING KIT FOR RUGER REDHAWK®

## Safety Instructions

### Introduction

Thank you for purchasing the RRH102 PROSPRING KIT FOR RUGER REDHAWK® by BROWNELLS. This kit is designed to enhance the performance of your Ruger Redhawk firearm by providing reduced power hammer springs. Please read and follow these safety instructions carefully to ensure safe and proper use of the product.

### General Safety Guidelines

- Ensure that all products are used according to the manufacturer's instructions.
- Always treat firearms with respect and assume they are loaded.
- Store the product in a secure place, out of reach of children and unauthorized users.
- Regularly check for updates regarding product recalls through the EU's Safety Gate platform.
- Report any unsafe products or incidents to the relevant authorities.

### Specific Safety Precautions for Use

- Only use the RRH102 PROSPRING KIT with the Ruger Redhawk firearm.
- Ensure that the firearm is unloaded before installing or replacing any components.
- Wear protective eyewear when handling springs to prevent injury from potential snapback.
- Do not attempt to modify the springs beyond the intended use as specified by the manufacturer.
- Keep your workspace clean and organized to avoid accidents during installation.

### Instructions for Installation and Usage

#### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: screwdriver, pliers, and protective eyewear.

#### 2. Installation:

- Remove the grip panels from the Ruger Redhawk to access the hammer assembly.
- Carefully remove the existing hammer spring using pliers, noting its orientation for reinstallation.
- Select the appropriate reduced power hammer spring from the kit (RP, XP, or FSW).
- Install the new hammer spring in the same orientation as the original spring.
- Reattach the grip panels securely.

#### 3. Testing:

- After installation, conduct a function test to ensure the firearm operates correctly.
- Check that the trigger pull feels smooth and the hammer engages properly.
- If any issues arise, consult a qualified gunsmith before further use.

#### 4. Regular Maintenance:

- Inspect the springs periodically for wear or damage.
- Replace springs as necessary to maintain optimal performance.

## **Disposal Instructions**

- Dispose of any old or unused springs in accordance with local regulations.
- Do not dispose of springs in regular household waste; check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the RRH102 PROSPRING KIT, please consult the manufacturer's website or contact their customer support directly. Ensure you have the product details and any relevant information ready for assistance.

By following these safety instructions, you can ensure the safe and effective use of the RRH102 PROSPRING KIT FOR RUGER REDHAWK®. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
