SRH104 PROSPRING KIT FOR RUGER SUPER REDHAWK Safety Instruction Guide

Introduction

Thank you for choosing the SRH104 PROSPRING KIT for the Ruger Super Redhawk. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use only the springs provided in this kit. Mixing with other springs may lead to malfunction.
- Always ensure the firearm is unloaded before installing or replacing any parts.
- Wear safety glasses when handling or installing springs to protect your eyes from potential flying parts.
- Do not attempt to modify any of the springs or components in this kit.
- Ensure that all components are properly secured after installation to prevent accidental disassembly during use.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the following tools ready: a screwdriver, a small punch, and a hammer.
- Work in a welllit area to avoid any accidents.

2. Installation Steps:

◦ Remove the Grip:

- Use a screwdriver to carefully remove the grip from the firearm.

◦ Remove the Hammer Spring:

- Using a punch, carefully push out the hammer spring retaining pin.
- Remove the current hammer spring and replace it with the desired reduced power hammer spring (9 lb., 10 lb., or 12 lb.).

◦ Install the Trigger Spring:

- Locate the trigger spring and remove it using the punch.
- Replace it with the reduced power trigger spring (10 lb. or 12 lb.).

◦ Reassemble the Firearm:

- Ensure all springs are seated properly and the retaining pins are securely in place.

- Reattach the grip to the firearm.

3. **Testing:**

- After installation, perform a function check to ensure the firearm operates correctly.
- Always test the firearm in a controlled environment, ensuring it is unloaded before testing.

Disposal Instructions

- Dispose of any old springs or components in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the SRH104 PROSPRING KIT, please contact the manufacturer or refer to the product's official website for support resources.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your SRH104 PROSPRING KIT.
