SS311 PROSPRING KIT FOR SAVAGE/STEVENS 311 SHOTGUN Safety Instruction Guide

Introduction

Thank you for choosing the SS311 ProSpring Kit for your Savage/Stevens 311 shotgun. This kit is designed to enhance the performance of your shotgun by providing highquality actiontuning springs. Please read this safety instruction guide carefully to ensure safe installation and usage of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always handle firearms and related accessories with care and respect.
- Store the kit and any tools in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the shotgun and components for wear and damage.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to install or modify the springs while the shotgun is loaded.
- Always ensure the shotgun is unloaded before beginning any work on it.
- Use appropriate tools and equipment for installation to avoid injury.
- Wear safety glasses to protect your eyes during installation.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure the shotgun is completely unloaded.
- Gather necessary tools: screwdriver, pliers, and safety glasses.

2. Installation Steps

- Remove the stock from the shotgun according to the manufacturer's instructions.
- Carefully remove the existing hammer springs and sear spring.
- Install the new parts from the SS311 ProSpring Kit:
 - Insert the (2) factory standard hammer springs.
 - Install the (1) 15% RP sear spring.
 - Insert the (2) 30% RP hammer springs.
 - Install the (1) 15% RP top lever spring.
- Reassemble the shotgun, ensuring all parts are secured properly.

3. PostInstallation Checks

- Perform a function check to ensure the shotgun operates correctly.
- Confirm that the shotgun hangs open for reloading as expected.
- Store the shotgun in a safe place when not in use.

Disposal Instructions

- Dispose of any old springs and components in accordance with local regulations.
- Do not dispose of springs in a way that could pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's contact information provided with the product packaging or visit their official website for assistance.

By following these guidelines, you will enhance your safety and the performance of your Savage/Stevens 311 shotgun. Thank you for your attention to these important safety instructions.
