GM451 PROSPRINGS™ Safety Instruction Guide

Introduction

Thank you for choosing the GM451 PROSPRINGS™ for your 1911 action tuning needs. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully.

General Safety Guidelines

- Ensure that all components are compatible with your firearm model before installation.
- Always handle firearms with care and follow the basic rules of firearm safety.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the springs for wear or damage before use.
- Use only the recommended ammunition types as specified in the product description.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to firearm malfunction.
- Using incorrect springs can affect the performance and safety of the firearm.
- Failure to follow installation instructions may result in injury.

• Avoiding Hazards:

- Always ensure the firearm is unloaded before beginning any installation.
- Use appropriate tools and follow the installation instructions precisely.
- Do not modify the springs or any other components.
- Wear safety glasses when performing installation or maintenance.

• AgeSpecific Warnings:

- This product is intended for use by individuals 18 years of age and older.
- Ensure that all users are knowledgeable about firearm safety and handling.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools: a screwdriver, pliers, and safety glasses.
- Ensure your workspace is clean and welllit.

2. Installation Steps:

- **Step 1:** Ensure the firearm is completely unloaded and the magazine is removed.
- **Step 2:** Disassemble the firearm according to the manufacturer's instructions.
- **Step 3:** Remove the existing springs from the firearm.
- **Step 4:** Select the appropriate spring from the GM451 PROSPRINGS™ kit based on your needs (10 lb. recoil spring for light loads).
- **Step 5:** Install the new springs in the reverse order of removal, ensuring they are seated correctly.
- **Step 6:** Reassemble the firearm, doublechecking that all parts are secure and functioning properly.

3. Testing:

- After installation, conduct a function check to ensure that the firearm operates correctly.
- If any issues arise, consult a qualified gunsmith for assistance.

4. Usage:

- Use the firearm only in accordance with applicable laws and regulations.
- Regularly maintain and inspect the firearm and springs for optimal performance.

Disposal Instructions

- Dispose of any old or unused springs in accordance with local regulations.
- Do not dispose of springs in regular household waste; consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product information, please contact your local distributor or refer to the documentation provided with your product.

Thank you for prioritizing safety and following these guidelines while using GM451 PROSPRINGS™. Your responsible handling ensures a safer experience for all users.
