

# **E-CLIP KIT - BROWNELL'S E-CLIP .156"(4.0MM)OD .051"(1.3MM)ID .052"(1.3MM) SD 20PK**

[Gunsmith Tools](#) > [Small Hardware](#) > [E-Clips](#)

## **8 Sizes Cover Most Gun Needs**

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlins, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

# ECLIP KIT BROWNELLS ECLIP Safety Instruction Guide

## Introduction

Thank you for choosing the EClip Kit from Brownells. This guide provides essential safety instructions and information to ensure the safe use of this product. The EClip Kit is designed to help you maintain your firearms efficiently by providing a variety of EClips that hold pins and parts securely in place. Please read this guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always keep the EClip Kit out of reach of children and vulnerable individuals to prevent accidental ingestion or injury.
- Regularly check the kit for any damaged or missing clips before use.
- Ensure that you are using the correct size of EClip for your specific application to avoid malfunction.
- Avoid using EClips that show signs of wear or damage, as they may not hold securely.
- Follow all local laws and regulations regarding the handling and maintenance of firearms.

## Specific Safety Precautions for Use

- When handling EClips, wear safety glasses to protect your eyes from flying parts.
- Use appropriate tools when installing or removing EClips to prevent injury.
- Do not force EClips into place; ensure the fit is correct to avoid breakage.
- Store the EClip Kit in a dry, cool place to prevent rust and degradation of materials.
- If you experience any difficulty during installation, consult a qualified gunsmith or technician for assistance.

## Instructions for Installation and Usage

### 1. Identify the Correct Size of EClip:

- Determine the size of the pin or part that requires an EClip.
- Refer to the included crossreference chart for guidance on sizes.

### 2. Prepare the Area:

- Ensure the workspace is clean and free from distractions.
- Gather necessary tools, such as pliers or tweezers.

### 3. Installation of EClip:

- Align the EClip with the pin or part.
- Gently press or slide the EClip into place using the appropriate tool.
- Ensure that the EClip is seated properly and securely.

### 4. Removal of EClip:

- Use pliers or a similar tool to grip the EClip.
- Gently pull or twist to remove the EClip from the pin or part.
- Inspect the EClip for damage before disposal.

### 5. PostInstallation Check:

- Verify that the EClip is securely in place and that the pin or part is functioning correctly.
- Conduct a safety check of the firearm before use.

## **Disposal Instructions**

- Dispose of damaged or worn EClips in accordance with local regulations.
- Do not throw EClips in regular household waste; consider recycling options where available.
- If unsure about disposal methods, consult your local waste management authority for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the EClip Kit, please refer to the manufacturer's contact information provided on the product packaging or visit the official website for additional resources.

By following these safety instructions, you can ensure the safe and effective use of the EClip Kit. Always prioritize safety when handling firearms and their components. Thank you for your attention to these important guidelines.
