

E-CLIP KIT - BROWNELLS E-CLIP .335"(9.0MM)OD .113"(2.9MM)ID .116"(2.9MM) SD 20PK

[Gunsmith Tools](#) > [Small Hardware](#) > [E-Clips](#)

8 Sizes Cover Most Gun Needs

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlin's, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

ECLIP KIT BROWNELLS ECLIP Safety Instructions

Introduction

Thank you for purchasing the EClip Kit from Brownells. This kit contains essential components for securing pins and parts in modern firearms. While using this product, it is crucial to follow safety guidelines to ensure safe handling and usage. This document outlines the necessary safety instructions and precautions to help you use the EClip Kit safely and effectively.

General Safety Guidelines

- Always store the EClip Kit in a dry and secure location, out of reach of children.
- Inspect the EClips regularly for any visible damage or wear before use.
- Use the EClips only for their intended purpose as specified in the product description.
- Avoid using damaged or worn EClips, as they may pose a safety risk.
- Ensure that your working area is clean and free of distractions when using the EClip Kit.
- Follow all local laws and regulations regarding the use and storage of firearm components.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling EClips.
- Be cautious of sharp edges or points when removing or installing EClips.
- When working on firearms, always follow the manufacturer's instructions for disassembly and reassembly.
- Ensure that the firearm is unloaded and pointed in a safe direction before starting any work.
- Keep EClips away from heat sources and open flames to prevent any potential hazards.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for the task at hand.
- Ensure your workspace is organized and welllit.

2. Installation:

- Identify the pin or part that requires securing with the EClip.
- Select the appropriate size EClip from the kit.
- Align the EClip with the groove on the pin or part.
- Press the EClip into place using a suitable tool, if necessary, ensuring it is fully seated.

3. Usage:

- After installation, check that the EClip is secure and that the pin or part is held firmly in place.
- If the EClip appears loose or damaged, remove it and replace it with a new one from the kit.

4. Maintenance:

- Periodically inspect the installed EClips for signs of wear or damage.
- Replace any worn or damaged EClips immediately to ensure safety.

Disposal Instructions

- Dispose of any damaged or unused EClips in accordance with local regulations.
- Do not dispose of EClips in a manner that could pose a risk to the environment or public safety.
- Consider recycling options for metal components if available in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding the EClip Kit, please contact the manufacturer directly. Ensure you provide details regarding your inquiry for the best assistance.

By following these safety instructions, you can ensure the safe and effective use of the EClip Kit. Remember to stay informed about any product recalls or safety updates through the EU Safety Gate platform. Thank you for prioritizing safety while enjoying your firearms.
