## **8 Sizes Cover Most Gun Needs**

So important to have on hand, E-Clips are used to hold pins and parts in place in many modern long guns and some handguns, too. With this E-Clip Kit on hand you can return a gun to service quickly; not waiting for a factory order, and not paying high factory prices - as much as \$1 each! All the sizes needed to service popular Remingtons, Marlins, Mossbergs, Savages and Winchesters (plus many more). Vital in your shop as these little buggers get lost as easily as springs and detent balls. Detailed gun parts list cross-reference chart too, worked out by our tech staff with assistance and suggestions from Gary Thiry, Sacramento, California. The E-Clip Kit has 20 each of 8 different sizes, each size in its own snap-top box inside the Kit box. Refill Paks are also available. With a retail value in the \$56 to \$120 range, (35 cents to 75 cents each) this Kit cannot only be a lifesaver and loyalty builder, but a real moneymaker, too.

# ECLIP KIT BROWNELLS ECLIP Safety Instruction Guide

## Introduction

Thank you for choosing the ECLIP KIT BROWNELLS ECLIP. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the EClip Kit.

## General Safety Guidelines

- Always ensure that the EClips are used in accordance with the intended purpose.
- Keep the EClip Kit out of reach of children to prevent accidental ingestion or misuse.
- Inspect the EClips for any damage or wear before use. Do not use damaged clips.
- Store the EClip Kit in a dry and safe place to prevent loss and maintain the integrity of the clips.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check the EU's Safety Gate platform for any recall updates related to this product.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded and pointed in a safe direction before attempting to install or replace any EClips.
- Use the correct size EClip for the specific application to avoid malfunction.
- Avoid using excessive force when installing or removing EClips, as this may cause damage to the clip or the firearm.
- Do not mix different sizes or types of EClips, as this can lead to improper function and safety hazards.
- Always wear appropriate safety gear, such as safety glasses, when working with firearms and small components.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather the necessary tools for the installation if required.

### 2. Selecting the EClip:

- Identify the size of the EClip needed for your application. Refer to the provided crossreference chart for assistance.

### 3. Installation:

- Align the EClip with the pin or part it is intended to secure.
- Gently press the EClip onto the pin until it is fully seated. Ensure it is securely in place.
- Check that the EClip holds the pin or part firmly without any movement.

### 4. Removal:

- To remove an EClip, use appropriate tools to gently pry it off without damaging the surrounding components.
- Dispose of any damaged EClips properly.

## **Disposal Instructions**

- Dispose of any unused or damaged EClips in accordance with local waste disposal regulations.
- Do not dispose of EClips in regular household waste if they are deemed hazardous or contain materials that require special handling.

## **Contact Information for Further Support**

For any questions or concerns regarding the ECLIP KIT BROWNELLS ECLIP, please refer to the manufacturer's website or contact your local distributor for assistance.

This guide is designed to help ensure your safety and the proper use of the ECLIP KIT BROWNELLS ECLIP. Please follow all instructions carefully and stay informed about product safety updates.
