Hollow-Ended "Starter" Punches For Roll Pins

ROLL PIN HOLDERS The Brownells Roll Pin Holders are precision-engineered tools designed to securely hold roll pins in perfect alignment during firearm assembly or maintenance, ensuring accurate and damage-free installation. These holders are particularly beneficial for handling small, hard-to-grasp pins or those situated in tight spaces. Available Sizes and Specifications: The Roll Pin Holders are available individually or as a complete 5-piece set, accommodating various pin sizes commonly encountered in firearms: #1 - 1/16" (1.6mm): Notched to clear M16/AR-15 rear sights, facilitating easier installation in these specific models. #2 - 5/64" (2.0mm): Ideal for slightly larger pins, providing a secure hold during installation. #3 - 3/32" (2.4mm): Suitable for medium-sized pins, ensuring precise alignment. #4 - 1/8" (3.2mm): Designed for larger pins, maintaining stability during insertion. #5 - 3.5mm (0.138"): Excellent for holding the pin that retains the breech block on Sig handguns. Each holder is made from high-quality steel, ensuring durability and longevity. After the pin is properly started using the holder, it is recommended to finish driving it in with a roll pin punch for optimal results. Product Variations: Brownells offers these Roll Pin Holders in both standard and premium versions: Standard Roll Pin Holders: Constructed from durable steel, these holders provide reliable performance for general gunsmithing tasks. Premium Roll Pin Holders: Made from 5/16" hex high carbon 5160 steel that is Bainite heat treated for enhanced strength. Each holder features a single groove in the grip section and is laser marked for quick identification. Incorporating Brownells Roll Pin Holders into your gunsmithing toolkit enhances efficiency and precision, ensuring that roll pins are installed correctly without compromising the integrity of the firearm components.

ROLL PIN HOLDERS BROWNELLS COMPLETE 5PIECE ROLL PIN HOLDER SET Safety Instruction Guide

Introduction

Thank you for choosing the ROLL PIN HOLDERS BROWNELLS COMPLETE 5PIECE ROLL PIN HOLDER SET. This guide provides important safety information and instructions for the proper use and disposal of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always inspect the roll pin holders for any damage or defects before use.
- Use the roll pin holders only for their intended purpose.
- Keep the roll pin holders out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the product.
- Ensure that your workspace is clean and free of hazards before starting any work.
- If you notice any unusual behavior or performance from the product, stop using it immediately and consult a professional.

Specific Safety Precautions for Use

- Ensure that the roll pins are aligned properly within the holder before driving them in.
- Use the correct size roll pin holder for the specific roll pin you are working with to avoid damage.
- Avoid excessive force when driving pins; this can lead to breakage of the holder or pins.
- Do not use the roll pin holders on live electrical components or in environments where electrical hazards may be present.
- Store the roll pin holders in a dry place to prevent rust or damage to the steel material.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials for your project, including the roll pin holders, roll pins, and a roll pin punch.
- Ensure that you have a clean and welllit workspace.

2. Using the Roll Pin Holders:

- Select the appropriate size roll pin holder based on the size of the roll pin you are using.
- Insert the roll pin into the holder, ensuring it is seated properly and securely.
- Position the holder over the intended installation site for the roll pin.
- Using a roll pin punch, gently tap the punch to drive the roll pin into place. Ensure that the holder is kept aligned during this process.
- Once the pin is in place, remove the holder carefully to avoid damaging the pin.

3. Completion:

- After use, clean the roll pin holders with a dry cloth to remove any debris or moisture.
- Store the roll pin holders in their original packaging or a designated storage area to prevent damage.

Disposal Instructions

- Dispose of the roll pin holders in accordance with local regulations for metal products.
- If the product is damaged or no longer usable, consider recycling the steel material where facilities are available.
- Do not dispose of the product in regular household waste if it can be recycled.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of the ROLL PIN HOLDERS BROWNELLS COMPLETE 5PIECE ROLL PIN HOLDER SET, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for more resources.

Thank you for taking the time to read this safety instruction guide. Your safety is our priority, and we hope you enjoy using the ROLL PIN HOLDERS BROWNELLS COMPLETE 5PIECE ROLL PIN HOLDER SET.
