ROLL PIN HOLDERS - BROWNELLS ROLL PIN HOLDER #2, 5/64" (2.0MM)

Hollow-Ended "Starter" Punches For Roll Pins

ROLL PIN HOLDERS   The Brownells Roll Pin Holders are precision-engineered tools designed to securely hold roll pins in perfect alignment during firearm assembly or maintenance, ensuring accurate and damage-free installation. These holders are particularly beneficial for handling small, hard-to-grasp pins or those situated in tight spaces.   Available Sizes and Specifications: The Roll Pin Holders are available individually or as a complete 5-piece set, accommodating various pin sizes commonly encountered in firearms: #1 - 1/16" (1.6mm): Notched to clear M16/AR-15 rear sights, facilitating easier installation in these specific models. #2 - 5/64" (2.0mm): Ideal for slightly larger pins, providing a secure hold during installation. #3 - 3/32" (2.4mm): Suitable for medium-sized pins, ensuring precise alignment. #4 - 1/8" (3.2mm): Designed for larger pins, maintaining stability during insertion. #5 - 3.5mm (0.138"): Excellent for holding the pin that retains the breech block on Sig handguns. Each holder is made from high-quality steel, ensuring durability and longevity. After the pin is properly started using the holder, it is recommended to finish driving it in with a roll pin punch for optimal results. Product Variations: Brownells offers these Roll Pin Holders in both standard and premium versions: Standard Roll Pin Holders: Constructed from durable steel, these holders provide reliable performance for general gunsmithing tasks. Premium Roll Pin Holders: Made from 5/16" hex high carbon 5160 steel that is Bainite heat treated for enhanced strength. Each holder features a single groove in the grip section and is laser marked for quick identification. Incorporating Brownells Roll Pin Holders into your gunsmithing toolkit enhances efficiency and precision, ensuring that roll pins are installed correctly without compromising the integrity of the firearm components.

ROLL PIN HOLDERS BROWNELLS #2 5/64" (2.0MM) ROLL PIN HOLDER Safety Instructions

Introduction

Thank you for choosing the ROLL PIN HOLDERS BROWNELLS #2 5/64" (2.0MM) ROLL PIN HOLDER. This product is designed to hold roll pins perfectly aligned for starting correctly, especially in tight spaces. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the roll pin holder for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a welllit and clutterfree environment to avoid accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using this tool.
- Be aware of your surroundings and ensure that no one is in close proximity while using the roll pin holder.

Specific Safety Precautions for Use

- When handling the roll pin holder, avoid using excessive force, as this could lead to breakage or injury.
- Do not use the roll pin holder on pins that are too large or not designed for this tool.
- Ensure that the roll pin holder is securely positioned before attempting to drive in the roll pin.
- Take care when using the roll pin punch to avoid slipping and causing injury.
- If you experience any difficulty or resistance while using the roll pin holder, stop and reassess the situation to avoid damage or injury.

Instructions for Installation and Usage

1. **Preparation:**

    - Gather all necessary tools and materials before starting.
    - Ensure that the work area is clean and wellorganized.

2. **Using the Roll Pin Holder:**

    - Select the appropriate size roll pin holder for the pin you are working with.
    - Insert the roll pin into the holder, ensuring it is correctly aligned.
    - Position the roll pin holder against the surface where the pin will be installed.
    - Gently tap the holder with a hammer to start the pin. Do not apply excessive force.
    - Once the pin is started, use a roll pin punch to finish driving the pin into place.
    - For M16/AR15 rear sights, ensure that the 1/16" notch is correctly aligned to clear the sight.

3. **PostUse:**

    - After use, clean the roll pin holder to remove any debris or residue.
    - Store the roll pin holder in a dry place, away from moisture and direct sunlight.

Disposal Instructions

- Dispose of the roll pin holder in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, check with local waste management for

proper disposal methods.
