Hollow-Ended "Starter" Punches For Roll Pins

ROLL PIN HOLDERS The Brownells Roll Pin Holders are precision-engineered tools designed to securely hold roll pins in perfect alignment during firearm assembly or maintenance, ensuring accurate and damage-free installation. These holders are particularly beneficial for handling small, hard-to-grasp pins or those situated in tight spaces. Available Sizes and Specifications: The Roll Pin Holders are available individually or as a complete 5-piece set, accommodating various pin sizes commonly encountered in firearms: #1 - 1/16" (1.6mm): Notched to clear M16/AR-15 rear sights, facilitating easier installation in these specific models. #2 - 5/64" (2.0mm): Ideal for slightly larger pins, providing a secure hold during installation. #3 - 3/32" (2.4mm): Suitable for medium-sized pins, ensuring precise alignment. #4 - 1/8" (3.2mm): Designed for larger pins, maintaining stability during insertion. #5 - 3.5mm (0.138"): Excellent for holding the pin that retains the breech block on Sig handguns. Each holder is made from high-quality steel, ensuring durability and longevity. After the pin is properly started using the holder, it is recommended to finish driving it in with a roll pin punch for optimal results. Product Variations: Brownells offers these Roll Pin Holders in both standard and premium versions: Standard Roll Pin Holders: Constructed from durable steel, these holders provide reliable performance for general gunsmithing tasks. Premium Roll Pin Holders: Made from 5/16" hex high carbon 5160 steel that is Bainite heat treated for enhanced strength. Each holder features a single groove in the grip section and is laser marked for quick identification. Incorporating Brownells Roll Pin Holders into your gunsmithing toolkit enhances efficiency and precision, ensuring that roll pins are installed correctly without compromising the integrity of the firearm components.

ROLL PIN HOLDERS BROWNELLS #3 3/32"

(2.4MM) ROLL PIN HOLDER Safety Instruction Guide

Introduction

Thank you for choosing the ROLL PIN HOLDERS BROWNELLS #3. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the roll pin holder.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the roll pin holder out of reach of children and vulnerable individuals.
- Inspect the product regularly for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling roll pins and tools.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure that the roll pin is properly aligned before starting the installation.
- Avoid using excessive force when driving the roll pin; this can lead to damage or injury.
- Do not use the roll pin holder if it shows signs of damage or wear.
- Use the roll pin holder in a welllit and clean workspace to prevent accidents.
- Ensure that your hands are dry and free from grease or oil when handling the roll pin holder.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials before starting.
- Ensure that the work area is clean and welllit.

2. Using the Roll Pin Holder:

- Place the roll pin into the holder, ensuring it is properly seated.
- Align the roll pin holder with the hole where the pin will be inserted.
- Gently press down to start the roll pin into the hole.
- Use a roll pin punch to finish driving the pin in place, ensuring it is fully seated.

3. PostUse Care:

- After use, clean the roll pin holder to remove any debris or residue.
- Store the roll pin holder in a safe and dry location, away from children.

Disposal Instructions

- Dispose of the roll pin holder according to local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, consider recycling options if available.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the EU contact point or the manufacturer's website.

Thank you for following these safety guidelines. Your safety and satisfaction are our top priorities.
