## Hollow-Ended "Starter" Punches For Roll Pins

ROLL PIN HOLDERS The Brownells Roll Pin Holders are precision-engineered tools designed to securely hold roll pins in perfect alignment during firearm assembly or maintenance, ensuring accurate and damage-free installation. These holders are particularly beneficial for handling small, hard-to-grasp pins or those situated in tight spaces. Available Sizes and Specifications: The Roll Pin Holders are available individually or as a complete 5-piece set, accommodating various pin sizes commonly encountered in firearms: #1 - 1/16" (1.6mm): Notched to clear M16/AR-15 rear sights, facilitating easier installation in these specific models. #2 - 5/64" (2.0mm): Ideal for slightly larger pins, providing a secure hold during installation. #3 - 3/32" (2.4mm): Suitable for medium-sized pins, ensuring precise alignment. #4 - 1/8" (3.2mm): Designed for larger pins, maintaining stability during insertion. #5 - 3.5mm (0.138"): Excellent for holding the pin that retains the breech block on Sig handguns. Each holder is made from high-quality steel, ensuring durability and longevity. After the pin is properly started using the holder, it is recommended to finish driving it in with a roll pin punch for optimal results. Product Variations: Brownells offers these Roll Pin Holders in both standard and premium versions: Standard Roll Pin Holders: Constructed from durable steel, these holders provide reliable performance for general gunsmithing tasks. Premium Roll Pin Holders: Made from 5/16" hex high carbon 5160 steel that is Bainite heat treated for enhanced strength. Each holder features a single groove in the grip section and is laser marked for quick identification. Incorporating Brownells Roll Pin Holders into your gunsmithing toolkit enhances efficiency and precision, ensuring that roll pins are installed correctly without compromising the integrity of the firearm components.

## Attributes

- Name: [ROLL PIN HOLDER #4, 1/8" \(3.2MM\)](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080685125
- Mfr. No.:
- Material: Steel
- Size: 1/8 in
- Style: Roll Pin
- Delivery weight: 0.045kg
- Shipping height: 12mm
- Shipping width: 34mm
- Shipping length: 158mm
- UPC: 050806017849

# Safety Instruction Guide for Brownells Roll Pin Holders #4, 1/8" (3.2MM)

## Introduction

Thank you for choosing the Brownells Roll Pin Holders. These precisionengineered tools are designed to assist in the safe and accurate installation of roll pins during firearm assembly and maintenance. This guide provides essential safety instructions and guidelines to ensure safe use, compliance with regulations, and optimal performance of the product.

## General Safety Guidelines

- Always use the Roll Pin Holders as intended. Misuse can lead to injury or damage to firearm components.
- Keep the Roll Pin Holders out of reach of children and vulnerable individuals to prevent accidents.
- Inspect the Roll Pin Holders for any signs of damage or wear before use. Do not use damaged tools.
- Ensure a clean and organized workspace to minimize risks of accidents during installation.
- Follow all local laws and regulations regarding the handling and maintenance of firearms.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses, to protect your eyes from debris.
- Ensure that the firearm is unloaded and pointed in a safe direction before starting any maintenance work.
- Use the Roll Pin Holders only with compatible roll pin sizes to avoid slippage or pin damage.
- Do not apply excessive force when using the Roll Pin Holders; this may result in tool breakage or injury.
- Always finish driving the pin in with a roll pin punch after using the holder for optimal results.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components, including the Roll Pin Holder, roll pin punch, and the firearm.
- Ensure the workspace is welllit and free of unnecessary clutter.

### 2. Using the Roll Pin Holder:

- Select the appropriate Roll Pin Holder based on the size of the roll pin you are working with.
- Insert the roll pin into the holder, ensuring it is securely seated.
- Align the holder with the pin hole on the firearm component.

### 3. Installation:

- Gently tap the holder with a hammer to start the pin. Ensure that the holder is held firmly in place.
- Once the pin is partially inserted, remove the holder.
- Use a roll pin punch to finish driving the pin into place, applying steady and controlled force.

### 4. PostInstallation:

- Inspect the installation to ensure the pin is correctly seated and secure.
- Clean the workspace and store the Roll Pin Holders in a safe place to prevent damage.

## **Disposal Instructions**

- Dispose of any damaged or worn Roll Pin Holders according to local regulations for metal waste.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods.

## **Contact Information for Further Support**

For inquiries regarding safety, usage, or any concerns related to the Brownells Roll Pin Holders, please refer to the contact information provided with your purchase.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your Brownells Roll Pin Holders. Always prioritize safety and compliance with relevant regulations during firearm maintenance and assembly.
