ROLL PIN HOLDERS - BROWNELLS ROLL PIN HOLDER #5, 0.138" (3.5MM)

Hollow-Ended "Starter" Punches For Roll Pins

ROLL PIN HOLDERS   The Brownells Roll Pin Holders are precision-engineered tools designed to securely hold roll pins in perfect alignment during firearm assembly or maintenance, ensuring accurate and damage-free installation. These holders are particularly beneficial for handling small, hard-to-grasp pins or those situated in tight spaces.   Available Sizes and Specifications: The Roll Pin Holders are available individually or as a complete 5-piece set, accommodating various pin sizes commonly encountered in firearms: #1 - 1/16" (1.6mm): Notched to clear M16/AR-15 rear sights, facilitating easier installation in these specific models. #2 - 5/64" (2.0mm): Ideal for slightly larger pins, providing a secure hold during installation. #3 - 3/32" (2.4mm): Suitable for medium-sized pins, ensuring precise alignment. #4 - 1/8" (3.2mm): Designed for larger pins, maintaining stability during insertion. #5 - 3.5mm (0.138"): Excellent for holding the pin that retains the breech block on Sig handguns. Each holder is made from high-quality steel, ensuring durability and longevity. After the pin is properly started using the holder, it is recommended to finish driving it in with a roll pin punch for optimal results. Product Variations: Brownells offers these Roll Pin Holders in both standard and premium versions: Standard Roll Pin Holders: Constructed from durable steel, these holders provide reliable performance for general gunsmithing tasks. Premium Roll Pin Holders: Made from 5/16" hex high carbon 5160 steel that is Bainite heat treated for enhanced strength. Each holder features a single groove in the grip section and is laser marked for quick identification. Incorporating Brownells Roll Pin Holders into your gunsmithing toolkit enhances efficiency and precision, ensuring that roll pins are installed correctly without compromising the integrity of the firearm components.

ROLL PIN HOLDERS BROWNELLS #5 3.5MM (0.138") ROLL PIN HOLDER Safety Instruction Guide

Introduction

Thank you for choosing the ROLL PIN HOLDERS BROWNELLS #5 3.5MM (0.138") ROLL PIN HOLDER. This tool is designed to help you securely hold roll pins in place while you work on various projects. It is essential to follow the safety instructions provided in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the safety instructions before using the product.
- Ensure that the working area is clean and welllit to prevent accidents.
- Keep the tool out of reach of children and vulnerable individuals.
- Use the tool only for its intended purpose to avoid risks of injury.
- Regularly inspect the tool for any signs of wear or damage before use.
- If the tool is damaged, discontinue use immediately and replace it.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the tool.
- Do not use excessive force when inserting or removing roll pins; this may damage the tool or cause injury.
- Ensure that the roll pin holder is securely positioned before attempting to start the pin.
- Avoid using the tool in wet or damp conditions to reduce the risk of slipping or electrical hazards.
- Keep your hands and other body parts away from the striking area when using a punch to drive the roll pin.
- Be cautious of sharp edges on the tool and the workpiece to prevent cuts or abrasions.

Instructions for Installation and Usage

1. **Preparation:**

   - Gather all necessary tools and materials, including the roll pin holder and roll pins.
   - Ensure your work area is clean and organized.

2. **Using the Roll Pin Holder:**

   - Select the appropriate size of the roll pin holder for your roll pin.
   - Insert the roll pin into the holder, ensuring it is properly aligned.
   - Position the holder over the desired location on your workpiece.
   - Gently tap the holder with a hammer or punch to start the roll pin. Do not apply excessive force.
   - Once the pin is started, remove the holder and use a roll pin punch to finish driving the pin into place.

3. **After Use:**

   - Clean the tool after each use to maintain its condition.
   - Store the roll pin holder in a safe location, away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the tool responsibly in accordance with local regulations.
- Do not dispose of the tool in regular household waste.
- Consider recycling options if available, as the tool is made of steel.
