Safety Instruction Guide for the 17 Caliber Master Chamfering and Facing Combo Set

Introduction

Thank you for choosing the Brownells 17 Caliber Master Chamfering and Facing Combo Set. This tool kit is designed to enhance the functionality and aesthetics of firearm barrels. To ensure safe and effective use of this product, please carefully read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using this tool kit.
- Ensure that the workspace is clean, dry, and welllit to prevent accidents.
- Keep the tools out of reach of children and unauthorized users.
- Inspect tools before use for any signs of damage or wear. Do not use damaged tools.
- Store tools in a secure location to prevent unauthorized access.
- Familiarize yourself with the tools and their functions before use.
- Follow all local laws and regulations regarding firearms and gunsmithing.

Specific Safety Precautions for Use

- Use the chamfering and facing tools only as intended. Misuse may result in injury or damage to the firearm.
- Always secure the firearm in a stable position before performing any chamfering or facing operations.
- Avoid wearing loose clothing or jewelry that may become caught in the tools.
- Do not operate tools under the influence of alcohol, drugs, or medications that may impair judgment.
- Ensure that all tools are properly maintained to prevent malfunctions.
- Avoid distractions while using the tools to maintain focus and precision.

Instructions for Installation and Usage

• Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools from the combo set.

• Using the Chamfer Tool:

- Select the appropriate chamfer tool for the caliber of the firearm.
- Attach the chamfer tool to the replacement handle securely.
- Position the chamfer tool at a 45degree angle against the edge of the barrel.
- Apply gentle pressure and rotate the tool to create a clean chamfer.
- Check the chamfer for uniformity and adjust as needed.

• Using the Facing Cutter:

- Select the appropriate facing cutter for the caliber of the firearm.
- Attach the facing cutter to the replacement handle securely.
- Position the facing cutter at a 90degree angle against the edge of the barrel.
- Apply gentle pressure and rotate the cutter to achieve a smooth facing.
- Inspect the facing for smoothness and uniformity.

- **PostUse:**

- Clean the tools after each use to remove debris and prevent corrosion.
- Store the tools in the provided fivecompartment box with foam to protect them from damage.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any further inquiries or support regarding the Brownells 17 Caliber Master Chamfering and Facing Combo Set, please refer to the official Brownells website or contact their customer support.

By following these safety guidelines and instructions, you can ensure safe and effective use of your Brownells Chamfering and Facing Combo Set. Thank you for prioritizing safety while enhancing your firearms.
