# Safety Instruction Guide for STEEL PILOTS

## BROWNELLS STEEL PILOT FOR 7MM MUZZLE

### Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR 7MM MUZZLE. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read and understand all the guidelines before using the product.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- If you notice any damage, discontinue use immediately and seek support.
- Always follow the instructions provided in this guide to minimize risks.

### Specific Safety Precautions for Use

- Before using the steel pilot, ensure that it is compatible with your firearm and the intended caliber (.284/7 mm).
- Wear appropriate personal protective equipment (PPE), including safety glasses, to protect your eyes from debris.
- Use the steel pilot in a wellventilated area to avoid inhalation of any particles generated during use.
- Do not exceed the recommended usage limits to avoid damaging the product or causing injury.
- Keep hands and other body parts clear of the cutting area during operation.
- Always ensure that the firearm is unloaded before performing any maintenance or adjustments.

### Instructions for Installation and Usage

#### 1. Preparation

- Ensure that the workspace is clean and free of obstructions.
- Gather all necessary tools and PPE before starting.

#### 2. Installation

- Insert the steel pilot into the appropriate tool or fixture designed for chamfering and facing operations.
- Ensure that the pilot is securely fastened and properly aligned.

#### 3. Usage

- Start the tool according to the manufacturer's instructions.
- Gradually introduce the steel pilot into the bore, maintaining steady pressure.
- Monitor the operation closely to ensure proper cutting and alignment.
- After use, turn off the tool and carefully remove the pilot.

### Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Ensure that the product is rendered unusable before disposal to prevent accidental injury.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the STEEL PILOTS BROWNELLS STEEL PILOT FOR 7MM MUZZLE, please contact your local distributor or visit the manufacturer's website for support resources.

## **Conclusion**

By following the guidelines outlined in this safety instruction guide, you can ensure the safe and effective use of the STEEL PILOTS BROWNELLS STEEL PILOT FOR 7MM MUZZLE. Your safety is our priority, and we appreciate your commitment to using this product responsibly.
