# Safety Instruction Guide for STEEL PILOTS BROWNELLS STEEL PILOT FOR .22 RF MUZZLE (.215")

## Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .22 RF MUZZLE (.215"). This product is designed to enhance your firearm maintenance and ensure precision in your work. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the product is suitable for your specific firearm and application.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Do not use the product if it is damaged or if you suspect it may be unsafe.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using this product.
- Ensure that the firearm is unloaded and pointed in a safe direction before beginning any work.
- Do not exceed the recommended specifications for use as indicated in the product details.
- Avoid using the product in wet or damp conditions to prevent rust and corrosion.
- Use the product only for its intended purpose; misuse can lead to accidents or injury.
- Be cautious of sharp edges and points on the product during handling and use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and PPE before beginning.

### 2. Installation:

- Locate the muzzle of the firearm.
- Carefully insert the hardened steel pilot into the bore, ensuring it is properly aligned.
- Ensure that the pilot is seated firmly but not forced into the bore.

### 3. Usage:

- Use the pilot in conjunction with facing and chamfering cutters as intended.
- Maintain a steady hand and controlled pressure while using the tool.
- Regularly check for proper alignment and centering during use.

### 4. PostUse:

- Remove the pilot from the bore after use.

- Clean the pilot with a soft cloth to remove any debris or residue.
- Store the pilot in a dry, secure location away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, follow your local guidelines for hazardous waste disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the STEEL PILOTS BROWNELLS STEEL PILOT FOR .22 RF MUZZLE (.215"), please refer to the product packaging or contact your retailer for assistance.

Thank you for your attention to these safety instructions. By following these guidelines, you can help ensure a safe and effective experience with your product.
