Safety Instruction Guide for STEEL PILOTS

BROWNELLS STEEL PILOT FOR .17 HIGH STD./HM2 MUZZLE (.167")

Introduction

Thank you for purchasing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .17 HIGH STD./HM2 MUZZLE (.167"). This guide provides important safety instructions to ensure the safe use of this product. Please read and follow these instructions carefully to avoid any hazards and ensure a safe experience.

General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Use the product only for its intended purpose as specified in this guide.
- Ensure that your workspace is clean and free from distractions while using this product.

Specific Safety Precautions for Use

- **Hardened Steel Caution:** The pilot is made from hardened steel. Handle with care to avoid cuts or injuries.
- **Proper Centering:** Ensure that the pilot is properly centered in the bore to prevent misalignment and potential accidents.
- **Avoid Overuse:** Do not exceed the recommended usage duration to prevent overheating and potential failure of the product.
- **Storage:** Store the product in a dry, secure location to prevent rust and damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the equipment you are using is compatible with the .17 caliber pilot.
- Insert the pilot into the bore, ensuring that it is securely fitted and properly centered.
- Check alignment before proceeding with any cutting or chamfering operations.

2. Usage:

- Use the pilot with appropriate facing and chamfering cutters.
- Maintain a steady hand while operating to ensure accuracy and safety.
- Avoid sudden movements that could lead to accidents or injuries.

3. PostUse Care:

- After use, clean the pilot with a soft cloth to remove any debris or residue.
- Inspect the pilot for any signs of wear. If any damage is found, discontinue use immediately.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.

- Consider recycling the product if possible to minimize environmental impact.

Contact Information for Further Support

For safety inquiries, product support, or to report unsafe conditions, please reach out to the designated EU-based contact for this product. Ensure that you have the product details ready for reference.

Conclusion

By following these safety guidelines, you can ensure a safe and effective experience with the STEEL PILOTS BROWNELLS STEEL PILOT FOR .17 HIGH STD./HM2 MUZZLE (.167"). Always prioritize safety and adhere to all instructions provided in this guide. Thank you for your attention to these important safety measures.
