# Safety Instruction Guide for STEEL PILOTS STEEL PILOT FOR .41 MUZZLE

## Introduction

The STEEL PILOTS STEEL PILOT FOR .41 MUZZLE is designed to assist in maintaining the accuracy and effectiveness of your chamfering and facing operations. This guide provides essential safety instructions to ensure proper use, installation, and disposal of the product, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle the product with care to avoid injury.
- Ensure that you are using the product in a wellventilated area to minimize exposure to dust and debris.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage before use.
- In case of any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating the chamfering tool.
- Ensure that the pilot is securely fitted to the tool before use to prevent accidents.
- Do not exceed the recommended speed or pressure settings when using the pilot.
- Avoid using the product near flammable materials or in explosive environments.
- Be cautious of sharp edges and moving parts during operation.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the tool you are using is compatible with the STEEL PILOTS STEEL PILOT FOR .41 MUZZLE.
- Clean the tool and the pilot area to remove any debris.
- Insert the pilot into the tool's designated slot, ensuring it is securely in place.
- Tighten any locking mechanisms to prevent movement during operation.

### 2. Usage

- Before starting, doublecheck that all components are secure and in good condition.
- Adjust the tool settings according to the manufacturer's guidelines.
- Begin operation at a low speed to gauge the performance of the pilot.
- Gradually increase speed as necessary, but do not exceed recommended limits.
- Monitor the operation closely for any unusual sounds or vibrations, and stop immediately if any issues arise.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options to minimize environmental impact.

## **Contact Information for Further Support**

For additional support or inquiries regarding safety, please refer to the manufacturer's contact information provided with the product packaging or visit their website.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the STEEL PILOTS STEEL PILOT FOR .41 MUZZLE. Always prioritize safety and remain informed about best practices for handling and using this product.
