Safety Instruction Guide for STEEL PILOTS

BROWNELLS STEEL PILOT FOR .416 MUZZLE

Introduction

Thank you for choosing the STEEL PILOTS BROWNELLS STEEL PILOT FOR .416 MUZZLE. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure you are using the product in a safe and controlled environment.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Follow all local regulations regarding the use of tools and equipment.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the pilot only for its intended purpose, which is for chamfering and facing operations in specific firearms.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the pilot.
- Ensure that the work area is welllit and free from any obstructions or hazards.
- Do not exceed the recommended specifications for the product, including the caliber and material it is designed to work with.
- Avoid using excessive force when operating the pilot, as this may lead to equipment failure or personal injury.
- Do not modify the pilot in any way, as this can compromise its safety and effectiveness.

Instructions for Installation and Usage

- Before installation, ensure that the work area is clean and organized.
- Verify that the pilot is compatible with your specific firearm model.
- To install the pilot:
 1. Remove any existing components as necessary.
 2. Carefully insert the pilot into the designated bore, ensuring it is properly aligned.
 3. Secure the pilot according to the manufacturer's specifications.
- To use the pilot:
 1. Position the firearm securely in a stable and safe manner.
 2. Operate the chamfering or facing cutter according to the tool's instructions.
 3. Maintain a steady hand and avoid excessive pressure during operation.
- After use, clean the pilot thoroughly and store it in a safe location.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- If the product is no longer usable, consider recycling it if possible.
- Do not dispose of the product in general household waste.

Contact Information for Further Support

For any questions or concerns regarding the STEEL PILOTS BROWNELLS STEEL PILOT FOR .416 MUZZLE, please contact your local distributor or retailer for assistance. It is important to have a point of contact for product safety inquiries.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priority.
