Safety Instruction Guide for STEEL PILOTS STEEL PILOT FOR .45 MUZZLE

Introduction

Thank you for choosing the STEEL PILOTS STEEL PILOT FOR .45 MUZZLE. This product is designed to keep Facing and Chamfering cutters properly centered in the bore, ensuring accuracy and efficiency in your work. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with all safety instructions provided in this guide.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when handling and using this product.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear and damage before each use. Do not use if damaged.
- Follow all local regulations regarding the use and disposal of steel products.

Specific Safety Precautions for Use

- Avoid direct contact with sharp edges of the cutters to prevent cuts or injuries.
- Use the pilot only for the specified calibers: .45 Caliber (.451.454).
- Ensure that the pilot is securely attached to the tool before use to prevent accidents.
- Do not exceed the recommended operating speeds to avoid overheating and potential failure of the product.
- If you experience any unusual noise or vibration during operation, stop immediately and inspect the tool for issues.

Instructions for Installation and Usage

1. Installation:

- Ensure that the tool you are using is compatible with the STEEL PILOT.
- Insert the pilot into the tool's chuck or holder, ensuring a secure fit.
- Tighten the chuck or holder according to the manufacturer's instructions.

2. Usage:

- Align the pilot with the bore of the workpiece.
- Begin operation at low speed to ensure proper alignment and reduce the risk of damage.
- Gradually increase speed as needed, monitoring the operation closely for any irregularities.
- After completing the task, turn off the tool and carefully remove the pilot.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal waste.
- Avoid disposing of the product in general waste bins to prevent environmental contamination.
- If the product is damaged or no longer usable, ensure it is recycled or disposed of responsibly.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer or your local

retailer. Ensure you have the product details available for assistance.

By following these safety instructions, you can ensure a safe and effective experience with the STEEL PILOTS STEEL PILOT FOR .45 MUZZLE. Always prioritize safety and adhere to the guidelines provided for optimal performance. Thank you for your attention to these important safety measures.
