# Safety Instruction Guide for STEEL PILOTS STEEL PILOT FOR .50 S&W MUZZLE

## Introduction

Thank you for choosing the STEEL PILOTS STEEL PILOT FOR .50 S&W MUZZLE. This product is designed to assist in the proper centering of facing and chamfering cutters in the bore of your firearm. To ensure safe and effective use, please read and follow this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that you are familiar with the operation and maintenance of your firearm before using this product.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling this product.
- Keep this product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all local laws and regulations regarding the use and handling of firearms and related tools.

## Specific Safety Precautions for Use

- Use the steel pilot only with compatible calibers, specifically .50 Caliber (.500.501).
- Ensure the firearm is unloaded and pointed in a safe direction before installation of the pilot.
- Do not exceed the recommended usage limits as specified by the manufacturer.
- Avoid using the pilot in environments that are damp or where moisture can accumulate.
- If you experience any unusual resistance or difficulty while using the pilot, stop immediately and inspect for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded and in a safe condition.
- Gather necessary tools and PPE.

### 2. Installation:

- Insert the hardened steel pilot into the bore of the firearm.
- Align the pilot to ensure it is centered properly before securing it in place.
- Doublecheck that the pilot is firmly in position and does not wobble.

### 3. Usage:

- Use the pilot in conjunction with facing and chamfering cutters as per the manufacturer's instructions.
- Maintain a steady hand and avoid excessive force during operation.
- After use, carefully remove the pilot and inspect for any signs of wear.

### 4. PostUsage Care:

- Clean the pilot after each use to remove any debris or residue.
- Store the pilot in a dry and secure location away from moisture and direct sunlight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste.
- If the product is damaged beyond use, contact a local recycling center for proper disposal options.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the STEEL PILOTS STEEL PILOT FOR .50 S&W MUZZLE, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for taking the time to read this safety instruction guide. By following these guidelines, you can ensure a safe and effective experience with your STEEL PILOTS STEEL PILOT FOR .50 S&W MUZZLE.
