Safety Instruction Guide for 1911 LUG IRON

BROWNELLS LUG IRON

Introduction

Thank you for choosing the 1911 LUG IRON by BROWNELLS. This product is designed to quickly and accurately remove wear flanges and machining ridges from the slide lug area of 1911 Autos. To ensure your safety and the effective use of this tool, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always read the product manual before use.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the tool for damage before each use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Ensure your workspace is clean and welllit.
- Do not use the tool in wet or damp conditions.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and safe before performing any work.
- Use the tool with care to avoid injury from sharp edges or moving parts.
- Keep hands and fingers clear of the working area while using the tool.
- Do not apply excessive force when using the tool; let the tool do the work.
- If you feel uncomfortable or unsure about using the tool, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and in a safe condition.
- Gather all necessary tools and ensure your workspace is organized.

2. Using the 1911 LUG IRON:

- Position the tool at the slide lug area of the 1911 Auto.
- Apply gentle pressure while moving the tool to remove wear flanges and machining ridges.
- Check the fit frequently to ensure precision and avoid overremoval of material.

3. After Use:

- Clean the tool after each use to prevent rust and maintain performance.
- Store the tool in a safe, dry place, out of reach of children.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, contact your local waste management facility for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support, please reach out to the designated EU contact point for this product. Ensure you have the product details ready for a more efficient response.

Conclusion

By following these safety instructions, you can ensure a safe and effective experience with the 1911 LUG IRON by BROWNELLS. Always prioritize safety and do not hesitate to seek help if needed. Thank you for your attention to these important guidelines.
