

# PREMIUM GRINDING POINT KIT - #3 (W-158) GRINDING STONE REFILL 6 PACK

[Gunsmith Tools & Supplies](#) > [Power Tools & Accessories](#) > [Grinding Bits](#)

## The Most Popular/Useful Shapes & Sizes

Brownells "Premium Plus" stones are the very finest we can offer. Industrial grade cobalt is added to uniformly sized aluminum oxide crystals and bonded with special, cool-running adhesives to form the hardest, longest-wearing, fastest-cutting, grinding points available to the trade. Gives a smooth, ready-to-finish surface on all types of ferrous and non-ferrous metals. Stones resist filling and gouging; can be re-ground or re-shaped, lasting much longer than "hobby" grade points. Hardened steel shafts are nickel plated for long life and stay concentric even with repeated use. We picked our 10 most popular grinding points and put 3 of each into a convenient, easy-to-store Kit and included a very special price for buying all 30 points at one time. Plus, the economical Refill 6-Paks make it easy to keep your Kit well stocked.

## Attributes

- Name: [#3 \(W-158\) GRINDING STONE REFILL 6 PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080697003
- Mfr. No.:

# **Safety Instruction Guide for PREMIUM GRINDING POINT KIT #3 (W158) GRINDING STONE REFILL 6 PACK**

## **Introduction**

Thank you for choosing the PREMIUM GRINDING POINT KIT #3 (W158) GRINDING STONE REFILL 6 PACK by Brownells. This guide provides essential safety instructions and precautions to ensure the safe use of this product. Please read this guide carefully before using the grinding points.

## **General Safety Guidelines**

- Ensure that the grinding points are used only for their intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety goggles, gloves, and a dust mask while using the grinding points.
- Keep the workspace clean and free from clutter to prevent accidents.
- Ensure that all electrical tools and equipment used with the grinding points are in good working condition.
- Never use the grinding points on materials that are not specified in the product guidelines.
- Be aware of your surroundings and ensure that others are at a safe distance while using the grinding points.

## **Specific Safety Precautions for Use**

- **Hazard Identification:**

- Risk of eye injury from flying debris.
- Risk of hand injury from sharp edges.
- Risk of inhalation of dust particles generated during use.

- **Avoiding Hazards:**

- Always secure the workpiece to prevent movement during grinding.
- Do not exceed the recommended RPM for the grinding points.
- Do not apply excessive pressure while grinding; let the tool do the work.
- If the grinding point becomes damaged or worn, discontinue use immediately.

- **Age Specific Warnings:**

- This product is not intended for use by children. Keep out of reach of children and unauthorized users.

## **Instructions for Installation and Usage**

- **Installation:**

1. Ensure that the tool to which the grinding point will be attached is turned off and unplugged.
2. Select the appropriate grinding point from the kit.
3. Insert the shank of the grinding point into the tool's collet or chuck.
4. Tighten the collet or chuck securely to hold the grinding point in place.

- **Usage:**

1. Before starting, ensure that you are wearing all necessary PPE.
2. Plug in the tool and turn it on at a low speed to ensure proper operation.
3. Gradually increase the speed as needed for the task.
4. Apply the grinding point to the workpiece at a consistent angle and pressure.
5. Periodically check the grinding point for wear and replace as needed.
6. When finished, turn off the tool and unplug it before removing the grinding point.

## **Disposal Instructions**

- Dispose of used grinding points in accordance with local regulations.
- Do not dispose of grinding points in regular household waste.
- Check with local waste management authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or support related to the PREMIUM GRINDING POINT KIT #3 (W158) GRINDING STONE REFILL 6 PACK, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to safety. Enjoy using your PREMIUM GRINDING POINT KIT responsibly!
