

# PREMIUM GRINDING POINT KIT - BROWNELLS #10 (B-132) GRINDING STONE REFILL 6 PACK

[Gunsmith Tools](#) > [Power Tools & Accessories](#) > [Grinding Bits](#)

## The Most Popular/Useful Shapes & Sizes

Brownells "Premium Plus" stones are the very finest we can offer. Industrial grade cobalt is added to uniformly sized aluminum oxide crystals and bonded with special, cool-running adhesives to form the hardest, longest-wearing, fastest-cutting, grinding points available to the trade. Gives a smooth, ready-to-finish surface on all types of ferrous and non-ferrous metals. Stones resist filling and gouging; can be re-ground or re-shaped, lasting much longer than "hobby" grade points. Hardened steel shafts are nickel plated for long life and stay concentric even with repeated use. We picked our 10 most popular grinding points and put 3 of each into a convenient, easy-to-store Kit and included a very special price for buying all 30 points at one time. Plus, the economical Refill 6-Paks make it easy to keep your Kit well stocked.

## Attributes

- Name: [BROWNELLS #10 \(B-132\) GRINDING STONE REFILL 6 PACK](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 080697010
- Mfr. No.: 3051320
- Height: 3/8"
- Width: 1/2"
- Delivery weight: 0.027kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 050806018389

# **Safety Instruction Guide for PREMIUM GRINDING POINT KIT BROWNELLS #10 (B132) GRINDING STONE REFILL 6 PACK**

## **Introduction**

Thank you for choosing the PREMIUM GRINDING POINT KIT BROWNELLS #10 (B132). This guide provides essential safety instructions and guidelines to ensure safe usage of the product. Please read this guide carefully before using the grinding points to avoid potential hazards and ensure optimal performance.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses, gloves, and a dust mask when using the grinding points.
- Keep the work area clean and welllit to minimize risks.
- Store the grinding points in a secure place, out of reach of children and pets.
- Regularly inspect the grinding points for wear or damage before use. Do not use damaged points.
- Follow all local regulations regarding the disposal of grinding materials and tools.

## **Specific Safety Precautions for Use**

- Do not exceed the recommended RPM (Revolutions Per Minute) for the grinding points to prevent breakage.
- Avoid applying excessive pressure while grinding; let the tool do the work.
- Ensure that the grinding point is securely attached to the tool before use.
- Do not use the grinding points on materials for which they are not designed.
- Be cautious of hot surfaces and sparks produced during grinding; allow the points to cool before handling.
- If you experience any discomfort or notice any unusual sounds while using the product, stop immediately and inspect for issues.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Select the appropriate grinding point for your task.
- Ensure the tool is unplugged or turned off before installation.
- Insert the shank of the grinding point into the tool's chuck or collet.
- Tighten the chuck or collet securely to prevent the grinding point from loosening during use.

### **2. Usage:**

- Plug in or turn on the tool.
- Hold the tool firmly with both hands and position the grinding point against the material at the desired angle.
- Start the tool and allow it to reach full speed before making contact with the material.
- Use smooth, even strokes and avoid forcing the grinding point into the material.
- After completing the task, turn off the tool and unplug it before removing the grinding point.

## Disposal Instructions

- Dispose of used grinding points and any associated debris in accordance with local regulations.
- Do not dispose of grinding points in regular household waste.
- Check with local waste management services for specific disposal guidelines for abrasive materials.

## Contact Information for Further Support

For any inquiries or support regarding the PREMIUM GRINDING POINT KIT BROWNELLS #10 (B132), please refer to the contact information provided by the manufacturer or retailer where the product was purchased.

By following these safety instructions, you can ensure a safe and effective experience while using the PREMIUM GRINDING POINT KIT BROWNELLS #10 (B132). Always prioritize safety and report any unsafe products or incidents to the relevant authorities. Thank you for your attention to these important guidelines.
