Safety Instruction Guide for Brownells 1911 Plunger Tube Support

Introduction

Thank you for choosing the Brownells 1911 Plunger Tube Support. This product is designed to enhance the safety and efficiency of your plunger tube staking process. This guide provides essential safety information and instructions to ensure proper use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Ensure that the product is suitable for your specific application.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always use the Plunger Tube Support in conjunction with the Brownells 1911 Plunger Tube Staking Tool.
- Ensure that the plunger tube is securely placed before beginning the staking process.
- Avoid applying excessive force that may lead to product damage or personal injury.
- Do not use the Plunger Tube Support for any purpose other than its intended use.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves while using the tool.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and materials, including the Brownells 1911 Plunger Tube Staking Tool and the Plunger Tube Support.
- Ensure that your workspace is clean and free of any hazards.

2. Installation

- Insert the Plunger Tube Support into the plunger tube. Ensure it fits snugly and securely.
- Check that there are no obstructions in the plunger tube that may interfere with the staking process.

3. Usage

- Align the plunger tube with the frame of your 1911 firearm.
- Use the Brownells 1911 Plunger Tube Staking Tool to stake the tube to the frame, ensuring that the Plunger Tube Support remains in place to prevent compression damage.
- Once the staking process is complete, carefully remove the Plunger Tube Support.

4. PostUsage Care

- Inspect the Plunger Tube Support for any signs of damage after use.
- Clean the product according to the manufacturer's recommendations to maintain its condition.

Disposal Instructions

- Dispose of the Plunger Tube Support in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Brownells 1911 Plunger Tube Support, please refer to the manufacturer's website or customer service for assistance. Ensure that you have the product details and any relevant information ready for a more efficient response.

By following these guidelines, you will help ensure your safety and the proper functioning of the Brownells 1911 Plunger Tube Support. Thank you for your attention to these important safety instructions.
