# 1911 Barrel Holder Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Barrel Holder from Brownells. This product is designed to assist you in securely holding the barrel in the slide for cutting excess material on the lugs. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the barrel holder before each use for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Use the barrel holder only for its intended purpose.
- Do not attempt to modify or alter the product in any way.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the barrel is securely locked in place before performing any cutting.
- Wear appropriate safety gear, such as goggles and gloves, to protect yourself from debris and sharp edges.
- Work in a wellventilated area to avoid inhaling any dust or particles created during the cutting process.
- Avoid using excessive force when cutting to prevent accidents or damage to the product.
- Keep hands and other body parts away from the cutting area at all times.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and safety equipment before starting.
- Ensure that your work area is clean and free from distractions.

### 2. Securing the Barrel

- Place the barrel holder on a stable surface.
- Insert the barrel into the holder, ensuring that it is properly aligned.
- Use the included 832 screw to securely fasten the barrel in place. Tighten gently but firmly to avoid stripping the screw.

### 3. Cutting Excess Material

- Once the barrel is secured, proceed with cutting the excess material on the lugs.
- Maintain a steady hand and apply consistent pressure while cutting.
- Regularly check to ensure that the barrel remains securely held throughout the process.

### 4. PostUse Care

- After use, carefully remove the barrel from the holder.
- Clean the barrel holder and store it in a safe, dry place away from children.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- If the product is damaged beyond use, please recycle it where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product performance, please refer to the EUbased contact point provided with your product packaging or on the manufacturer's website. Stay informed and ensure your safety while using the 1911 Barrel Holder.
