# ADJUSTABLE EXTRACTOR SUPPORT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Brownells Adjustable Extractor Support. This tool is designed to provide a safe and efficient method for supporting the extractor guide pin and star during maintenance of your firearm. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the tool is used in accordance with the manufacturer's instructions.
- Always inspect the tool for any signs of damage before use.
- Store the tool in a safe and secure location, out of reach of children.
- Use the tool only for its intended purpose as described in this guide.
- Report any unsafe conditions or incidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses, when using the tool.
- Make sure the firearm is unloaded and pointed in a safe direction before starting any maintenance work.
- Do not use the tool if you are under the influence of drugs or alcohol.
- Keep hands and other body parts clear of moving parts while using the tool.
- Do not modify the tool in any way, as this may compromise safety.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe.
- Gather all necessary tools and components, including the Adjustable Extractor Support.

### 2. Installation:

- Insert the fully adjustable brass support rods into the rear of the cylinder.
- Position the rods to support the extractor guide pin and star.
- Ensure that the rods are securely in place before proceeding.

### 3. Usage:

- When unscrewing the ejector rod, ensure the support rods remain in position to provide adequate support.
- If retrofitting existing tools, use the supplied rods as needed.
- For complete sets, ensure all components are used according to the instructions.

### 4. After Use:

- Carefully remove the support rods from the firearm.
- Clean the tool after each use to maintain its condition.
- Store the tool in a dry, secure location.

## **Disposal Instructions**

- Dispose of the tool in accordance with local regulations regarding metal disposal.
- Do not dispose of the tool in household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the Adjustable Extractor Support, please contact your local distributor or the manufacturer directly. Ensure that you have the product details available for reference.

Thank you for your attention to these safety guidelines. Your safety is our priority.
