# Safety Instruction Guide for Adjustable Extractor Support

## Introduction

Thank you for choosing the Brownells Adjustable Extractor Support for your firearms. This product is designed to provide safe and effective support for extractor guide pins and stars during maintenance. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this guide.
- Always handle firearms with care and ensure they are unloaded before attempting any maintenance.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- Follow all relevant local laws and regulations regarding firearm maintenance and tools.

## Specific Safety Precautions for Use

- Use the Adjustable Extractor Support only with compatible firearms, specifically those designed for .357 and .38 caliber.
- Do not exceed the recommended usage limits of the product.
- Avoid using excessive force when adjusting the support rods to prevent damage.
- Ensure that the extractor guide pin and star are properly aligned before use to avoid misfires or damage.
- Always wear appropriate safety gear, such as safety glasses, when performing maintenance on firearms.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to work on.
- Gather all necessary tools and the Adjustable Extractor Support.

### 2. Installation:

- Locate the rear of the cylinder on your firearm.
- Insert the brass support rods into the rear of the cylinder. Ensure they fit snugly and support the extractor guide pin and star.
- Adjust the rods as necessary to achieve proper support. Do not force adjustments beyond their limits.

### 3. Usage:

- Once the rods are securely in place, you can proceed to unscrew the ejector rod for maintenance.
- Monitor the stability of the support rods throughout the maintenance process.
- After completing maintenance, remove the support rods carefully.

### 4. PostUse:

- Store the Adjustable Extractor Support in a safe place, away from children and unauthorized users.
- Inspect the product for any damages after use and before the next use.

## **Disposal Instructions**

- Dispose of the Adjustable Extractor Support responsibly, in accordance with local waste management regulations.
- If the product is damaged or no longer functional, consider recycling the brass and carbon steel components where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with your product packaging. Always ensure you have access to support for any concerns regarding the Adjustable Extractor Support.

By following these guidelines, you can ensure a safe and effective experience with your Brownells Adjustable Extractor Support. Thank you for prioritizing safety while maintaining your firearms.
