Safety Instruction Guide for the Adjustable Extractor Support

Introduction

Thank you for choosing the Brownells Adjustable Extractor Support. This product is designed to enhance the functionality of your firearm by providing adjustable support for the extractor guide pin and star. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms and related tools with care.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the Adjustable Extractor Support out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the Adjustable Extractor Support only with compatible firearms as specified in the product instructions.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.
- When using the extractor support rods, ensure that they are securely fitted to avoid accidents.
- Always follow safe handling practices when working with firearms, including keeping the firearm pointed in a safe direction and ensuring it is unloaded when not in use.
- Be aware of your surroundings and ensure that no one is in close proximity when using the product.

Instructions for Installation and Usage

1. Unpack the Product:

- Open the clear PVC box and remove all components.
- Ensure that you have the following items:
 - 1 Adjustable Extractor Support Base
 - 2 .38 Caliber Extractor Support Rods
 - 2 .44 Caliber Extractor Support Rods
 - 2 .45 Caliber Extractor Support Rods
 - 2 832 x 1/2" Socket Head Cap Screws
 - 1 9/64" Hex Key

2. Installation:

- Identify the rear of the cylinder on your firearm where the extractor guide pin and star are located.
- Insert the appropriate support rod into the adjustable extractor support base.
- Attach the base to the rear of the cylinder using the provided socket head cap screws. Tighten securely with the hex key.

3. Usage:

- Once installed, the adjustable extractor support will hold the extractor guide pin and star in place while the ejector rod is unscrewed.
- Adjust the support rods as necessary to ensure proper fit and stability.

4. PostUse:

- After using the product, carefully remove the adjustable extractor support from the firearm.
- Store all components in the clear PVC box to prevent loss or damage.

Disposal Instructions

- When the Adjustable Extractor Support is no longer needed or is damaged beyond repair, dispose of it in accordance with local regulations for nonhazardous materials.
- Ensure that no components are left accessible to children or unauthorized users during disposal.

Contact Information for Further Support

For any inquiries or concerns regarding the Adjustable Extractor Support, please refer to the manufacturer's official website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy using your Brownells Adjustable Extractor Support responsibly.
