# 38 Barrel Alignment Gauge Safety Instructions

## Introduction

Thank you for choosing the 38 Barrel Alignment Gauge. This tool is designed to help you check the alignment of the bore centerline and firing pin hole of your firearm. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the gauge out of reach of children and unauthorized users.
- Inspect the gauge for any damage or wear before use. Do not use if damaged.
- Use the gauge in a welllit area to ensure accurate readings.
- Ensure that the firearm is unloaded and in a safe condition before using the gauge.
- Do not use the gauge for any purpose other than its intended use.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when using the gauge.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the gauge.
- Avoid using the gauge in wet or humid conditions, as this may affect its performance.
- Do not force the gauge into the bore; it should fit snugly without excessive pressure.
- If you experience any difficulty while using the gauge, stop and consult the instructions or seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary tools and equipment.

### 2. Using the Gauge:

- Insert the gauge into the bore of the barrel.
- Align the gauge with the firing pin hole.
- Check the alignment of the bore centerline and firing pin hole.
- If adjustments are necessary, follow the manufacturer's guidelines for making modifications.

### 3. PostUse:

- Remove the gauge from the bore carefully.
- Clean the gauge after use to maintain its accuracy and longevity.
- Store the gauge in a safe, dry place away from children and unauthorized users.

## Disposal Instructions

- Dispose of the gauge in accordance with local regulations.
- If the gauge is damaged beyond repair, ensure that it is disposed of in a manner that prevents accidental use.

## **Contact Information for Further Support**

For any questions or concerns regarding the 38 Barrel Alignment Gauge, please refer to the manufacturer's contact details provided in the product packaging or on the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority.
