

HOLE CENTER PUNCHES - BROWNELLS COMPLETE HOLE CENTER PUNCH SET

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Use Sights, Ribs Or Bases As Their Own Drill Jig

3 special Center Punches with outside diameters (O.D.) that match the clearance drill size of the most popular sight, rib and scope base mounting screws. Ground, parallel-sided punches reach through even the thickest handgun rib. Ends guess-work and hole center-to-center spacing problems. To Use: Level gun in vise or scope mounting jig, position and level sight, rib or base, and clamp in place. Place correct size punch in hole and lightly tap with a 4-oz. hammer. Remove base; drill and tap first hole; re-install base and check positioning. If everything is "square", re-clamp and finish other holes.

HOLE CENTER PUNCHES BROWNELLS COMPLETE HOLE CENTER PUNCH SET Safety Instruction Guide

Introduction

Thank you for choosing the HOLE CENTER PUNCHES BROWNELLS COMPLETE HOLE CENTER PUNCH SET. This guide provides essential safety instructions and usage information to ensure safe and effective use of the product. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that you are familiar with the tool and its intended use.
- Always use the product in a welllit and organized workspace.
- Keep the area free of clutter and distractions.
- Use personal protective equipment (PPE) such as safety goggles and gloves when necessary.
- Store the product in a safe place, out of reach of children and vulnerable individuals.
- Regularly check the tool for any signs of damage or wear before use.
- Follow all instructions and safety information provided in this guide.

Specific Safety Precautions for Use

- Handle the punches with care to avoid injury. The tips are sharp and can cause cuts.
- Always ensure the firearm is unloaded before working on it.
- Use the correct size punch for the hole to avoid damaging the workpiece.
- Avoid applying excessive force when tapping the punch; this can lead to accidents or breakage.
- Ensure that the punch is properly seated in the hole before tapping.
- Do not use the punches for any purpose other than their intended use.

Instructions for Installation and Usage

1. Preparation:

- Level the gun in a vise or scope mounting jig.
- Position and level the sight, rib, or base where the hole will be punched.
- Clamp the sight, rib, or base securely in place.

2. Using the Punch:

- Select the correct size punch that matches the clearance drill size for the screws.
- Insert the punch into the designated hole.
- Using a 4 oz. hammer, lightly tap the punch to create a mark. Avoid heavy strikes.
- Remove the base after marking; drill and tap the first hole.
- Reinstall the base and check its positioning to ensure it is square.
- If everything is aligned, reclamp and proceed to finish drilling the other holes.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general household waste.
- If the product is damaged or no longer usable, consider recycling the materials where possible.

Contact Information for Further Support

For any inquiries regarding product safety or usage, please refer to the appropriate contact channels provided by the manufacturer.

By following these guidelines, you can ensure a safe and effective experience with the HOLE CENTER PUNCHES BROWNELLS COMPLETE HOLE CENTER PUNCH SET. Thank you for your attention to safety.
