

HOLE CENTER PUNCHES - BROWNELLS #10 HOLE CENTER PUNCH ONLY

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Punches](#)

Use Sights, Ribs Or Bases As Their Own Drill Jig

3 special Center Punches with outside diameters (O.D.) that match the clearance drill size of the most popular sight, rib and scope base mounting screws. Ground, parallel-sided punches reach through even the thickest handgun rib. Ends guess-work and hole center-to-center spacing problems. To Use: Level gun in vise or scope mounting jig, position and level sight, rib or base, and clamp in place. Place correct size punch in hole and lightly tap with a 4-oz. hammer. Remove base; drill and tap first hole; re-install base and check positioning. If everything is "square", re-clamp and finish other holes.

Attributes

- Name: [BROWNELLS #10 HOLE CENTER PUNCH ONLY](#)

HOLE CENTER PUNCHES BROWNELLS #10 Safety Instruction Guide

Introduction

Thank you for choosing the HOLE CENTER PUNCHES BROWNELLS #10. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide thoroughly before using the tool.

General Safety Guidelines

- Ensure that the workspace is clean and welllit to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), including safety glasses, to protect your eyes from debris.
- Keep the tool out of reach of children and vulnerable individuals.
- Do not use the tool for purposes other than its intended use.
- Regularly inspect the tool for any signs of damage or wear before use.
- If the tool appears damaged, do not use it and contact a professional for advice.

Specific Safety Precautions for Use

- Use the tool only on materials for which it is designed.
- Ensure that the workpiece is securely clamped before using the punch to prevent movement.
- Always use a hammer that is appropriate for the size of the punch to avoid damaging the tool.
- Avoid striking the punch at an angle; use a straight and controlled motion.
- Do not place your hands or fingers near the striking area when using the tool.
- If the punch does not penetrate the material after a few taps, stop and reassess the situation; do not force the punch.
- Store the punch in a safe place when not in use to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Level the gun in a vise or scope mounting jig.
- Position and level the sight, rib, or base where the hole will be punched.
- Clamp the sight, rib, or base securely in place.

2. Using the Punch:

- Select the correct size punch that matches the hole you wish to create.
- Insert the punch into the hole.
- Using a 4oz. hammer, lightly tap the punch to create an indentation.
- After making the mark, remove the base and proceed to drill and tap the first hole.
- Reinstall the base and check the positioning to ensure it is square.
- If everything aligns correctly, reclamp the base and finish creating the remaining holes.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the tool in household waste. Check for any recycling programs available in your area.
- Ensure that the tool is rendered unusable before disposal to prevent accidents.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the HOLE CENTER PUNCHES BROWNELLS #10, please refer to the product packaging or visit the manufacturer's website for more information.

Thank you for your attention to these safety instructions. Your safety is our priority.
