

1911 SLIDE FITTING BARS - 1911 SLIDE FITTING BAR BOX AND TRAY

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Slide Tools](#)

Remove Slide "Play" Accurately & Professionally

Surface ground and hardened tool steel bars in ten thicknesses - Recommended by agency armorers and top pistolsmiths as the most accurate way to remove vertical slide "play" from the 1911 Auto, its variations and copies. May be slower than the quick-and-dirty methods, but gives an infinitely more accurate and professional job. Basic procedure as follows: Measure gun's slide rail thickness; place closest-sized Slide Fitting Bar in frame "way"; tap frame rail with light hammer to close the "ways" space down to match the slide rail thickness. Complete instructions included.

Safety Instruction Guide for 1911 Slide Fitting Bars

Introduction

Thank you for choosing the 1911 Slide Fitting Bars. These precisionengineered tools are designed to help you achieve an accurate and professional fit for your 1911 Auto slide. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience.

General Safety Guidelines

- Always read and understand all instructions before using the product.
- Keep tools out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose.
- Inspect the product for any signs of damage before use. Do not use if damaged.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the tools.
- Ensure your working area is clean, welllit, and free from distractions.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper handling of tools.
 - Risk of damage to the firearm if not used correctly.
- **Avoiding Hazards:**
 - Always ensure proper alignment of the slide fitting bars before tapping.
 - Use a light hammer to avoid excessive force that could damage the frame or slide.
 - Do not apply excessive pressure on the fitting bars, as this may lead to tool or firearm damage.
- **AgeSpecific Warnings:**
 - This product is not intended for use by individuals under the age of 18. Adult supervision is recommended.

Instructions for Installation and Usage

1. Preparation:

- Measure the thickness of the gun's slide rail accurately.
- Select the closestsized Slide Fitting Bar that matches the measured thickness.

2. Installation:

- Place the selected Slide Fitting Bar into the frame "way."
- Tap the frame rail gently with a light hammer to close the "ways" space down to match the slide rail thickness.
- Ensure the bar is seated properly and securely.

3. PostInstallation:

- Remove the Slide Fitting Bar carefully after installation.
- Inspect the fit of the slide to ensure there is no vertical play.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the use of the 1911 Slide Fitting Bars, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your 1911 Slide Fitting Bars. Always prioritize safety and proper usage to protect yourself and your equipment. Thank you for your attention to these guidelines.
