

# 1911 SLIDE FITTING BARS - BROWNELLS 1911 SLIDE FITTING BAR .116" (2.9464MM)

[Gunsmith Tools](#) > [Handgun Tools](#) > [Slide Tools](#)

## Remove Slide "Play" Accurately & Professionally

Surface ground and hardened tool steel bars in ten thicknesses - Recommended by agency armorers and top pistolsmiths as the most accurate way to remove vertical slide "play" from the 1911 Auto, its variations and copies. May be slower than the quick-and-dirty methods, but gives an infinitely more accurate and professional job. Basic procedure as follows: Measure gun's slide rail thickness; place closest-sized Slide Fitting Bar in frame "way"; tap frame rail with light hammer to close the "ways" space down to match the slide rail thickness. Complete instructions included.

# Safety Instruction Guide for 1911 Slide Fitting Bars

## Introduction

Thank you for choosing the 1911 Slide Fitting Bars by Brownells. This product is designed to help you achieve a precise fit for your 1911 Auto's slide, enhancing its performance and accuracy. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm before using the Slide Fitting Bars.
- Always wear appropriate safety gear, including eye protection, when working with tools and firearms.
- Keep the work area clean and free from distractions to maintain focus while using the Slide Fitting Bars.
- Store the Slide Fitting Bars in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the Slide Fitting Bars for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- Do not use the Slide Fitting Bars on firearms that are loaded. Always ensure that your firearm is unloaded before beginning any work.
- Use caution when tapping the frame rail with a hammer to avoid damaging the firearm or the fitting bars.
- Only use the Slide Fitting Bars for their intended purpose as described in this guide.
- If you experience any issues or have questions about the use of the Slide Fitting Bars, cease use immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Measure the Slide Rail Thickness

- Use a caliper to accurately measure the thickness of the slide rail on your firearm.

### 2. Select the Appropriate Slide Fitting Bar

- Choose the Slide Fitting Bar that closely matches the measured thickness of the slide rail.

### 3. Prepare the Frame

- Place the selected Slide Fitting Bar in the frame "way" where the slide rail will fit.

### 4. Adjust the Frame Rail

- Gently tap the frame rail with a light hammer to close the "ways" space down to match the slide rail thickness.
- Take care to apply even pressure to avoid damaging the frame or the Slide Fitting Bar.

### 5. Complete the Fitting Process

- Follow any additional instructions provided with the product to ensure proper fitting.
- After fitting, check for any irregularities or issues before reassembling the firearm.

## **Disposal Instructions**

- Dispose of any damaged or worn Slide Fitting Bars in accordance with local regulations.
- Do not dispose of the Slide Fitting Bars in regular household waste. Instead, contact your local waste management facility for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 1911 Slide Fitting Bars, please reach out to your local authorized dealer or manufacturer for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and effective experience while using the 1911 Slide Fitting Bars. Thank you for choosing Brownells, and we wish you success in your firearm fitting endeavors.
