# Safety Instruction Guide for the Brownells 1911 Slide Pusher

## Introduction

Thank you for choosing the Brownells 1911 Slide Pusher. This product is designed to assist in holding the slide forward while applying consistent pressure on the barrel during cutting. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before using the slide pusher.
- Use the slide pusher only for its intended purpose.
- Keep the slide pusher out of reach of children and vulnerable individuals.
- Regularly inspect the slide pusher for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use and contact customer support.
- Follow all local laws and regulations regarding firearms and related accessories.

## Specific Safety Precautions for Use

- Ensure that the 1911 thumb safety is properly engaged when locking the slide pusher into the frame.
- Do not apply excessive force when using the slide pusher, as this may cause damage to the firearm or the tool.
- Always wear appropriate safety gear, such as eye protection, when working with firearms.
- Avoid distractions while using the slide pusher to maintain focus on the task at hand.
- Never point the firearm at yourself or others during the process.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and safe to handle.
- Gather all necessary tools and safety equipment.

### 2. Installation:

- Locate the 1911 thumb safety on your firearm.
- Align the slide pusher with the frame of the 1911.
- Engage the thumb safety to lock the slide pusher into place securely.

### 3. Usage:

- With the slide pusher engaged, apply consistent pressure on the barrel as needed.
- Monitor the pressure applied to avoid overexertion which can lead to damage.
- Once the task is complete, carefully disengage the slide pusher from the frame.

### 4. PostUsage:

- Remove the slide pusher and store it in a safe place.
- Perform a safety check on the firearm to ensure it is in a safe condition.

## **Disposal Instructions**

- Dispose of the slide pusher responsibly when it reaches the end of its useful life.
- Check local regulations for proper disposal methods for tools and accessories.
- Do not dispose of the slide pusher in regular household waste.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the Brownells 1911 Slide Pusher, please contact the EUbased support team. Ensure you have the product details available for reference.

By following these guidelines, you can ensure a safe and effective experience with your Brownells 1911 Slide Pusher.
