Safety Instruction Guide for the 1911 Disconnect Scraper

Introduction

Thank you for choosing the 1911 Disconnect Scraper by Brownells. This tool is designed to help you deepen the disconnecter notch in your firearm, allowing for improved functionality without compromising safety. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

General Safety Guidelines

- Always use protective gear, such as safety glasses and gloves, when handling the scraper.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for damage before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm modifications.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded and free of ammunition before beginning any work.
- Use the scraper only for its intended purpose—deepening the disconnecter notch.
- Avoid applying excessive force when using the scraper to prevent damage to the tool or the firearm.
- Do not use the scraper on any firearm other than those specified (Government, Commander, Officers models).
- If you are unsure about the use of the tool, consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation

- Ensure you have a clean and welllit workspace.
- Gather necessary tools and safety equipment.

2. Using the Scraper

- Verify that the firearm is unloaded.
- Identify the disconnecter notch on your firearm.
- Carefully position the scraper in the notch, ensuring it is aligned correctly.
- Gently scrape the area, applying light pressure to deepen the notch as needed.
- Frequently check your progress to avoid overscraping.

3. PostUse Care

- Clean the scraper after use to remove any debris or residue.
- Store the scraper in a safe, dry place away from children.

Disposal Instructions

- Dispose of the scraper responsibly if it becomes damaged beyond use.
- Follow local regulations for the disposal of metal tools.
- If the scraper is still functional but no longer needed, consider donating it to a local gun club or training facility.

Contact Information for Further Support

For any inquiries or concerns regarding the 1911 Disconnect Scraper, please reach out to the manufacturer or your local distributor for assistance. Always ensure that you are using the product according to the guidelines provided.

Thank you for your attention to these safety instructions. Your safety and the safety of others are our top priorities.
