## Helps You Do Basic Repairs

**BASIC GUNSMITH KIT ADD-ON PACK NO. 1** The Brownells Basic Gunsmithing Add-On Pack No. 1 is a thoughtfully curated toolkit designed to enhance the capabilities of both novice and experienced gunsmiths. This add-on pack complements existing tool collections by providing essential instruments that facilitate a wide range of gunsmithing tasks with increased precision and efficiency. **Description and Features:** **4-in-1 Hand Rasp:** This versatile tool combines four different rasp profiles into one, allowing for efficient material removal and shaping during stock work or other gunsmithing projects. **Scribe Hook:** Ideal for marking and tracing precise lines on metal or wood surfaces, the scribe hook assists in layout work and ensures accuracy in component alignment. **6" Needle Nose Pliers:** These pliers provide a firm grip and precise control, essential for manipulating small components, bending wires, or reaching into tight spaces during assembly or disassembly. **Fold-Up Hex Tools:** A compact set of hex wrenches in various sizes, crucial for adjusting screws and bolts commonly found in firearms. The fold-up design ensures portability and organization. **Specifications:** **4-in-1 Hand Rasp:** Combines flat, half-round, round, and triangular rasp profiles. **Scribe Hook:** Crafted from hardened steel for durability. **6" Needle Nose Pliers:** Constructed from high-quality steel with comfortable grip handles. **Fold-Up Hex Tools:** Includes a range of commonly used hex sizes in a foldable holder. **Customer Insights:** Customers of the Brownells Basic Gunsmithing Add-On Pack No. 1 appreciate its thoughtful selection of tools that effectively enhance their existing kits. The versatility and quality of the included tools are frequently highlighted, with particular emphasis on the convenience provided by the fold-up hex tools and the multifunctionality of the 4-in-1 hand rasp. Incorporating the Brownells Basic Gunsmithing Add-On Pack No. 1 into your toolkit ensures you have access to essential tools that support a wide array of gunsmithing tasks, thereby enhancing your efficiency and precision in firearm maintenance and customization projects.

# Safety Instruction Guide for the Brownells Basic Gunsmithing AddOn Pack No. 1

## Introduction

Thank you for choosing the Brownells Basic Gunsmithing AddOn Pack No. 1. This toolkit is designed to enhance your gunsmithing capabilities, whether you are a novice or an experienced professional. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure all tools are used according to their intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while using tools.
- Keep the workspace clean and welllit to avoid accidents.
- Store tools in a secure place, out of reach of children and unauthorized users.
- Regularly inspect tools for any signs of damage or wear before use.
- Do not use tools if they are damaged or malfunctioning; replace them immediately.
- Be aware of your surroundings and ensure that no one is in close proximity while using the tools.

## Specific Safety Precautions for Use

- **4in1 Hand Rasp:**
  - Use with caution to avoid injury from sharp edges.
  - Always work away from your body.
- **Scribe Hook:**
  - Handle with care; the point can cause injury.
  - Keep the scribe hook pointed away from your body when not in use.
- **6" Needle Nose Pliers:**
  - Ensure a firm grip when using to avoid slippage.
  - Do not use for tasks beyond their intended purpose, such as cutting heavy wires.
- **FoldUp Hex Tools:**
  - Ensure the tool is securely locked in place before use.
  - Avoid using excessive force that may damage the tool or the fasteners.

## Instructions for Installation and Usage

- **Using the 4in1 Hand Rasp:**
  - Select the appropriate rasp profile for your task.
  - Secure the workpiece in a stable position.
  - Gently apply pressure while moving the rasp in a controlled manner.
- **Using the Scribe Hook:**
  - Mark surfaces lightly to ensure precision.
  - Use a straight edge for longer lines to maintain accuracy.
- **Using the 6" Needle Nose Pliers:**
  - Grasp the component firmly, ensuring a secure hold.
  - Use the pliers to bend or manipulate small components as needed.
- **Using the FoldUp Hex Tools:**
  - Select the correct hex size for your screws or bolts.
  - Insert the hex tool into the fastener and turn clockwise to tighten or counterclockwise to loosen.

## **Disposal Instructions**

- Dispose of tools responsibly by following local regulations.
- Do not dispose of tools in regular household waste if they are damaged or contain hazardous materials.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any inquiries regarding safety or product usage, please refer to the appropriate contact channels provided by the manufacturer. Always ensure you have the latest safety information and updates related to your tools.

Thank you for your attention to these safety guidelines. Using your Brownells Basic Gunsmithing AddOn Pack No. 1 with care will enhance your experience and ensure safe and effective gunsmithing.
