ASSEMBLY/DISASSEMBLY ADDON PAK NO. 2

Safety Instruction Guide

Introduction

Thank you for choosing the ASSEMBLY/DISASSEMBLY ADDON PAK NO. 2. This product is designed to enhance your gunsmithing capabilities by providing essential tools for the assembly and disassembly of firearms. It is important to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Use the tools only for their intended purpose as outlined in this manual.
- Keep the product out of reach of children and unauthorized users.
- Inspect the tools for any signs of damage before use. Do not use damaged tools.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling tools.
- Ensure that your workspace is clean, welllit, and free of hazards.
- Do not operate tools while under the influence of alcohol, drugs, or any substances that may impair your judgment.
- Store the tools in a safe and dry location when not in use.

Specific Safety Precautions for Use

- **Colt Pistol Wrench:**
 - Ensure that the wrench is correctly sized for the firearm being worked on to prevent slipping and damage.
 - Avoid applying excessive force when using the wrench to prevent injury or damage to the firearm.
- **Winchester Model 12 Wrench:**
 - Use the wrench only on Winchester Model 12 firearms to avoid damaging other models.
 - Always support the firearm securely when using the wrench to prevent accidents.
- **Bolt Extractor Pliers:**
 - Use the pliers only for extracting bolts. Do not use them for any other purpose.
 - Ensure your hands are clear from the jaws of the pliers when in use to prevent pinching injuries.
- **7/64" SpeedHex Wrench:**
 - Use the SpeedHex Wrench for its intended purpose only.
 - Ensure that the wrench fits snugly into the fastener to avoid stripping.

Instructions for Installation and Usage

1. Unboxing:

- Carefully remove the tools from the packaging.
- Inspect each tool for any signs of damage or defects.

2. Using the Tools:

- Read the specific instructions for each tool before use.
- Select the appropriate tool for the firearm you are working on.
- Follow these steps for general assembly/disassembly:
 - Ensure the firearm is unloaded and pointed in a safe direction.
 - Use the appropriate wrench or pliers to loosen or tighten components.
 - Work slowly and methodically, checking your progress frequently.
 - If you encounter resistance, reassess your technique rather than forcing the tool.

3. PostUse:

- Clean the tools after each use to remove debris and prevent rust.
- Store the tools in their designated case or location to prevent loss or damage.

Disposal Instructions

- Dispose of any damaged or worn tools in accordance with local regulations.
- Do not dispose of tools in regular household waste if they contain hazardous materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the ASSEMBLY/DISASSEMBLY ADDON PAK NO. 2, please refer to the manufacturer's contact information provided with your product packaging.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your gunsmithing experience!
