# Safety Instruction Guide for the BARREL SETBACK FIXTURE

## Introduction

Thank you for choosing the BARREL SETBACK FIXTURE from BROWNELLS. This product is designed to help you properly fit new factory or bull barrels and set back existing barrels to adjust barrel/cylinder gap without a lathe. To ensure your safety and the effective use of this product, please read the following safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** This product is designed for safe use. Ensure that it is used according to these instructions to avoid any potential hazards.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices regarding this product. Regularly check for updates.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for updates on unsafe products.

## Specific Safety Precautions for Use

- **Read All Instructions:** Before using the fixture, read all instructions and safety guidelines.
- **Use Personal Protective Equipment:** Always wear appropriate safety gear, including goggles and gloves, when operating this product.
- **Check for Damage:** Inspect the fixture for any signs of damage before use. Do not use if damaged.
- **Proper Handling:** Handle the fixture with care to avoid injury. Ensure that your hands are dry and free of oils when handling.
- **Work in a Safe Environment:** Use the product in a welllit and clutterfree area to avoid accidents.
- **Follow Instructions:** Adhere strictly to the installation and usage instructions provided in this guide.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all components: steel fixture body, adjustable carbide cutter, bore pilot, adjustable pilot carrier, and Allen wrench.
- Gather necessary tools and equipment.

### 2. Setting Up the Fixture:

- Place the steel fixture body on a stable surface.
- Adjust the carbide cutter to the desired position according to the barrel specifications.
- Secure the bore pilot into the fixture.

### 3. Using the Fixture:

- Align the barrel with the fixture and ensure it is securely held in place.
- Carefully turn the adjustable cutter to set back the barrel as required.
- Monitor the process closely to ensure precision and avoid overcutting.

#### **4. Finishing Up:**

- Once the adjustment is complete, remove the barrel from the fixture.
- Clean the fixture and all components after use to maintain their condition.

## **Disposal Instructions**

- Dispose of any unused or damaged parts in accordance with local regulations.
- Avoid disposing of the product in regular household waste. Check for local recycling programs that accept metal and plastic components.

## **Contact Information for Further Support**

For any questions or additional support regarding the BARREL SETBACK FIXTURE, please refer to the designated EU contact point.

By following these safety instructions, you can ensure a safe and effective experience with the BARREL SETBACK FIXTURE. Thank you for your attention to safety and for choosing BROWNELLS.
