Safety Instruction Guide for the BARREL SETBACK FIXTURE

Introduction

Thank you for choosing the BARREL SETBACK FIXTURE by Brownells. This tool is designed to help you properly fit new factory or bull barrels, or set back existing barrels to adjust the barrel/cylinder gap without the need for a lathe. Please read and follow this safety instruction guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using this product.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product before each use for any signs of damage or wear. Do not use if damaged.
- Be aware of your surroundings and ensure that you have a clear workspace free from distractions.
- Store the product in a safe location when not in use.

Specific Safety Precautions for Use

- Use the fixture only for its intended purpose as described in the product specifications.
- Do not modify the product in any way, as this may compromise safety and performance.
- Ensure that the adjustable carbide cutter is properly secured before use to avoid accidents.
- Always use the appropriate bore pilot for the caliber being worked on to prevent damage to the firearm or fixture.
- Use caution when handling sharp tools and components to avoid cuts or injuries.
- If you are unfamiliar with firearm maintenance or modifications, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components, including the steel fixture body, adjustable carbide cutter, bore pilot, adjustable pilot carrier, and Allen wrench.
- Ensure that your workspace is clean and organized.

2. Setting Up the Fixture

- Attach the bore pilot to the adjustable pilot carrier.
- Insert the pilot carrier into the fixture body, ensuring it is securely fastened.
- Adjust the carbide cutter to the desired depth according to the specifications for your specific application.

3. Using the Fixture

- Position the barrel securely in the fixture, ensuring it is stable and aligned.
- Begin the cutting process slowly, allowing the carbide cutter to do the work without excessive force.
- Regularly check the alignment and depth of the cut to ensure accuracy.

4. Finishing Up

- Once the desired adjustment is achieved, carefully remove the barrel from the fixture.
- Clean any debris from the fixture and components after use.
- Store the fixture and its components in a safe and dry location.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local authorities for proper disposal methods for tools and materials.

Contact Information for Further Support

For any questions or concerns regarding the use of the BARREL SETBACK FIXTURE, please refer to the manufacturer's website or contact their customer support.

Thank you for your attention to these safety instructions. Your safety is our priority.
