SLING SWIVEL STUD KIT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the SLING SWIVEL STUD KIT. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of the product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Always follow the instructions provided in this manual to ensure safe usage of the product.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Inspect all components of the kit before use for any signs of damage or wear.
- Use the product only for its intended purpose as described in this guide.
- In case of any doubts regarding the safety or functionality of the product, refrain from using it and seek professional assistance.

Specific Safety Precautions for Use

- Ensure that all parts are compatible and properly fitted before installation.
- Do not exceed the recommended load capacity of the sling swivel studs.
- Avoid using the product in extreme conditions that may compromise its integrity (e.g., extreme temperatures, moisture).
- Regularly check the tightness of the components to prevent loosening during use.
- If you notice any unusual sounds or movements during use, stop immediately and inspect the product.
- Use appropriate tools and personal protective equipment during installation to avoid injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools and components from the kit.
- Ensure that the work area is clean and welllit.

2. Installation of Sling Swivel Studs

- Select the appropriate sling stud based on your needs (1032 dometop sling studs or wood screw studs).
- For wood screw studs:
 - Predrill a hole in the desired location on the wood surface.
 - Insert the wood screw stud and tighten until secure.
- For dometop sling studs:
 - Use the provided hex nuts to secure the stud in place.
 - Ensure that the stud is firmly attached and does not wobble.

3. Attaching the Sling

- Once the swivel studs are securely installed, attach the sling by sliding it onto the stud.
- Ensure that the sling is properly seated and locked in place.

4. Testing the Setup

- Before using the sling, gently pull on it to ensure that it is securely attached.
- Check the stability of the setup by applying gradual pressure.

Disposal Instructions

- Dispose of the product and its components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, utilize designated recycling facilities where available.
- If unsure about disposal methods, contact local waste management authorities for guidance.

Contact Information for Further Support

For any inquiries related to safety, usage, or product support, please refer to the contact information provided on the packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the SLING SWIVEL STUD KIT.
